

Scholarship Name	Account #	Department	Contact Person	Contact Information	Description	Purpose
A.S.R. Ganta Award	V25959	College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Student Awards	To honor A.S.R. Ganta who gave the highest importance to education of his children as well as others from his small village, Vomaraville, Andhra Pradesh (State), in a remote part of India. This award is intended to recognize and encourage accomplishments of students who take an extra step to be the best in the College of Veterinary Medicine at Kansas State University.
Benjamin Kurz Research Fund	K30465	College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Scholarship	To honor Benjamin Kurz and to provide financial assistance to students properly enrolled in the College of Veterinary Medicine at Kansas State University who are working on projects related to geriatric canines.

Dr. Charles E Cornelius Award in Anatomy and Physiology	V58349	College of Veterinary Medicine			Student Awards	The purpose of this award is to honor Dr. Charles E Cornelius and to provide financial assistance to a graduate student properly enrolled in the College of Veterinary Medicine at Kansas State University
Dr. Embert H. Coles, Jr. Memorial Scholarship	V93719	College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Scholarship	To honor Dr. Embert H. Coles, Jr. and to provide financial assistance to students properly enrolled in the College of Veterinary Medicine at Kansas State University.
Dr. Frederick W. Oehme Toxicology Scholarship	V81565	College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Scholarship	To honor Dr. Frederick W. Oehme and to provide financial assistance to students properly enrolled in the College of Veterinary Medicine at Kansas State University.
Dr. Harish C. and Ved K. Minocha Scholarship	V79565	College of Veterinary Medicine		785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Scholarship	To honor Dr. Harish C. And Ved K. Minocha and to provide financial assistance to graduate students, with an emphasis in virology, properly enrolled in the College of Veterinary Medicine at Kansas State University.

Dr. Horst W and Elisabeth A Leipold Endowment	V93822	College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Other Student Assistance and Support	To provide financial assistance to a graduate student(s) properly enrolled in the College of Veterinary Medicine at Kansas State University.
Dr. Joseph E. Smith Clinical Pathology Award	K85915	College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Student Awards	
Dr. Marcus D. Morris Scholarship	V79570	College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Scholarship	The purpose of this scholarship is to provide financial assistance to students properly enrolled in the College of Veterinary Medicine at Kansas State University.
Graduate Student Excellence Fund in Anatomy & Physiology in Veterinary Medicine	K66800	College of Veterinary Medicine		Anatomy & Physiology Department; 785-532-5666; 228 Coles Hall	Other Student Assistance and Support	The purpose of this fund is to honor China Animal Healthcare, Ltd. and to provide financial assistance to graduate students properly enrolled in the Department of Anatomy & Physiology in the College of Veterinary Medicine at Kansas State University.

Jane A Westfall Graduate Student Fellowship for Women	V93917	College of Veterinary Medicine		Anatomy & Physiology Department; 785-532-5666; 228 Coles Hall	Student Fellowship	The purpose of this fellowship is to honor Dr. Jane A Westfall and to provide financial assistance to students in the Department of Anatomy & Physiology in the College of Veterinary Medicine at Kansas State University.
Nancy L Feldman Memorial Scholarship	V25255	College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Scholarship	To perpetuate the memory of Nancy L. Feldman and to provide financial assistance to professional degree students and graduate student properly enrolled in the College of Veterinary Medicine at Kansas State University.
Public Health International Experience Travel Award	K34270	College of Veterinary Medicine	Barta Stevenson	785-532-4042; 311 Trotter Hall; bstevens@vet.k-state.edu	Student Awards	To provide financial assistance to one or more students properly enrolled in the College of Veterinary Medicine at Kansas State University.
The Albert L. Burroughs Memorial Assistance Fund in Veterinary Medicine	V94031	College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Other Student Assistance and Support	To honor the memory of Albert L. Burroughs while providing financial assistance to graduate students in good standing in the College of Veterinary Medicine at Kansas State University.

The Ann McNamara Graduate Student Scholarship in Veterinary Medicine	V93845	College of Veterinary Medicine		785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Scholarship	To fund one or more graduate student scholarships to students enrolled in the graduate program of the College of Veterinary Medicine.
The Dr. Leo and Gloria Whitehair Graduate Research Enhancement Endowment.	V93921	College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Other Student Assistance and Support	To provide financial assistance to a graduate student(s) properly enrolled in the Graduate School (College of Veterinary Medicine graduate programs) at Kansas State University.
The G. Roger and Irene J. Spencer Memorial Scholarship in Veterinary Medicine	V93909	College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Scholarship	To provide financial assistance to students properly enrolled in the Doctor of Veterinary Medicine/Masters dual degree program in the College of Veterinary Medicine at Kansas State University.

The James E. and Muriel F. Cook Endowment for Veterinary Medicine	K94014	College of Veterinary Medicine		Diagnostic Medicine/Pathobiology Department; 785-532-4401; nowakows@vet.k-state.edu	Other Student Assistance and Support	The primary purpose of this endowment is to provide support for Pathology Education through the support of lectureships honoring Dr. James E. Cook.
The R. C. Dillman Award for Proficiency in the Application of Diagnostic Pathology to Diseases of Livestock and Horses	V93714	College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Student Awards	The award will honor a fourth year student in the College of Veterinary Medicine or a DVM-pathology graduate student employed by the Kansas State University VDL, who has demonstrated proficiency in the application of diagnostic pathology in the solution of disease problems of livestock and horses.

The Samuel M Kruckenberg Graduate Student Assistantship in Veterinary Medicine	K93814	College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Student Assistantship	To honor the memory of Dr. Samuel M. Kruckenberg on the campus of Kansas State University and to provide financial assistance to doctor of veterinary medicine and/or graduate veterinary students properly enrolled in the Graduate School (College of Veterinary Medicine graduate program) who are pursuing a graduate degree at Kansas State University.
Graduate Student Travel Awards		College of Veterinary Medicine	Marci Ritter	785-532-5660; 101 Trotter Hall; mritter@vet.k-state.edu	Student Awards	To support graduate student professional development and travel for graduate students properly enrolled in the College of Veterinary Medicine at Kansas State University.

Eligibility:	Manner and Time of Award:	Contact:
<p>This annual award consists of two parts: 1: One award is to be given to the best third-year DVM student after the completion of the second year courses successfully at the College of Veterinary Medicine at Kansas State University. 2: A second award will be given to a graduate student at the College of Veterinary Medicine at Kansas State University who demonstrated his/her research competence by publishing a research paper (or manuscript accepted for publication). The award of \$100 each may be used for books, or other needs of the student who receive the award.</p>	<p>The responsibility for the first award will be given to the College's Award and scholarship Committee. Suggested primary criteria for the first award is the highest GPA of the class at the end of the second year and other factors as necessary. The responsibility to identify a graduate student for the second category will be given to the College's Research Committee. Suggested primary criteria of selection is to solicit for submission of one publication or manuscript accepted for publication per student for this competition. They should then be evaluated to identify the best paper from the pool. The final choice of the recipient of this award will be made by the General Scholarship Committee of Kansas State University or its successor who will act upon recommendations made by the College of Veterinary Medicine Scholarship committee. The awards should also include a plaque and a certificate of accomplishment. They should be given during the Phi Zeta Sigma Day each year or on any other academic day as decided by the responsible committee.</p>	<p>Dr. and Mrs. Roman Ganta, 1608 Little Kitten Avenue, Manhattan, KS 66503, 785-539-5645</p>
<p>The recipient of this scholarship will be a student properly enrolled in the College of Veterinary Medicine at Kansas State University. This student will work on a project related to geriatric canines (joint disease, pain control, ocular degeneration, endocrine or other tumors). Said recipient will be part of the VRSP and as a result will be required to present both at the national Merck-Merial symposium and at Phi Zeta Day.</p>	<p>The final choice of the recipient of this award will be made by the advisory committee to VRSP of Kansas State University or its successor. Selection will be made in the spring of each year for participation in the following summer's program. Awards will be presented at Phi Zeta Day.</p>	<p>Ms. Linda Kurz, 11028 West 108th Terrace, Overland Park, KS 66210, 816-235-5846</p>

<p>The recipient of this award will be a graduate student properly enrolled in the College of Veterinary Medicine at Kansas State University. This scholarship will be awarded to a veterinary student who demonstrates an interest and aptitude in anatomy and physiology and who participates in college and university activities. Academic achievement should not be the only criterion.</p>	<p>The final choice of the recipient of this award will be made by the General Scholarship Committee of Kansas State University or its successor, who will act upon recommendations made by the Anatomy and Physiology faculty, to the College of Veterinary Medicine Scholarship Committee. Selection will be made in the spring of each year funds are available for awarding in conjunction with Phi Zeta Day activities.</p>	
<p>The recipient of this award shall be a graduate student properly enrolled in the College of Veterinary Medicine who is majoring in Clinical Pathology at Kansas State University. If no graduate student is enrolled in the Clinical Pathology program, a resident may apply in order to enhance his/her professional development in Clinical Pathology.</p>	<p>The final choice of the recipient of this award will be made by the General Scholarship Committee of Kansas State University or its successor, who shall act upon recommendations made by the College of Veterinary Medicine Scholarship Committee.</p>	<p>Kay A Coles, 940 NW Menninger Road, Topeka, KS 66618-1172</p>
<p>The recipient of this scholarship will be a student properly enrolled in the College of Veterinary Medicine at Kansas State University. First preference will be given to a graduate student doing research specific to toxicology in the DMP or A&P department. Second preference will be given to a senior student intending to work in an area of applied toxicology upon receiving his/her DVM. Students will submit an essay about his/her research/work intentions as a part of the application process as well as obtaining a faculty recommendation.</p>	<p>The selection process of the recipient of this award shall include the opportunity for the said honoree, Dr. Frederick W. Oehme, or in his absence a family member, to be involved in the review process. The final choice of the recipient shall be made by the General Scholarship Committee of Kansas State University or its successor, who will act upon recommendations made by the DVM Scholarship Committee and the Associate Dean for Graduate Programs/Research at the College of Veterinary Medicine. Starting immediately, selection will be made in the spring of each year funds are available for awarding to begin the following fall.</p>	<p>Susan Oehme Raetzman, 5124 Newport Ave, Bethesda, MD 20816-3025; Stephen Oehme, 524 Teal Court, Rock Hill, SC 29732-8309</p>
<p>The recipient of this scholarship will be a graduate student with an emphasis in virology, enrolled in the College of Veterinary Medicine at Kansas State University.</p>	<p>The final choice of the graduate student recipient of this scholarship will be made by the General Research Committee in the College of Veterinary Medicine or its successor, acting upon recommendations to the Dean of the College of Veterinary Medicine by the Head of the Department of DMP in consultation with Dr. Harish C. Minocha. Selection will be made in the spring of each year funds are available and the award will be given at the annual Phi Zeta Day Banquet.</p>	<p>Dr. Kelly F. Lechtenberg and family, 1447 Highway 77, Oakland, NE 68045-5515</p>

<p>The primary goal of this fund is to provide financial assistance to a graduate student in good standing with the College of Veterinary Medicine graduate programs at Kansas State University who is working in genetics, with a preference in, heredity and congenital anomalies in domestic animals. If there is no qualified graduate candidate, a student in the professional curriculum of veterinary medicine with interest in either area would be acceptable.</p>	<p>The selection shall be determined by the Department Head. Distribution of funds will be requested by the Department Head through the Business office of the College of Veterinary Medicine for final approval by the Dean of the College of Veterinary Medicine. Time of selection shall be open.</p>	<p>family and friends of Dr. Horst W Leipold and an anonymous donor.</p>
<p>The annual available earnings from this fund will be used at the discretion of the Associate Dean for Research and Graduate Programs in the College of Veterinary Medicine, as deemed necessary and appropriate, to reimburse a Clinical Pathology graduate student for travel expenses incurred while attending conferences. If there is not a student with travel expenses then it may be awarded to a Clinical Pathology graduate student with unexpected expenses.</p>	<p>The funds will be made available upon written request by the Associate Dean for Research and graduate Programs in the College of Veterinary Medicine upon written authorization by the Dean of the College of Veterinary Medicine.</p>	<p>Mrs. Katie Leola Smith, 200 Colgate Terrace, Manhattan, KS 66503</p>
<p>The recipient of this scholarship will be a graduate student properly enrolled in the College of Veterinary Medicine at Kansas State University. First preference shall be given to a student with financial need with an interest in large animal medicine. In all other respects, these funds will be awarded without restriction to race, gender, national origin, religion, age, sexual orientation or disability.</p>	<p>The final choice of the recipient of this award will be made by the General Scholarship Committee of Kansas State University or its successor, who will act upon recommendations made by the College of Veterinary Medicine Scholarship Committee. Selection will be made in the spring of each year funds are available for awarding to begin the following fall.</p>	
<p>The annual available earnings from this fund will be used at the discretion of Dr. Frank Blecha and Dr. Jishu Shi in the Department of Anatomy & Physiology in the College of Veterinary Medicine, to provide financial assistance to graduate students enrolled in the department, as deemed necessary and appropriate. First preference will be for Chinese graduate students. In all other respects, these funds will be used without restriction to race, gender, national origin, religion, age, sexual orientation or disability.</p>	<p>The funds will be made available upon written request by Dr. Frank Blecha and Dr. Jishu Shi, and/or the Department Head of Anatomy & Physiology upon written authorization oby the Dean of the College of Veterinary Medicine for the purposes stated.</p>	

<p>The recipient(s) of this fellowship shall be a female student(s) properly enrolled in the Department of Anatomy & Physiology in the College of Veterinary Medicine at Kansas State University, who have an interest and who will pursue the opportunity to present their research at the national level. The recipient(s) must possess either a B.S. or D.V.M. degree and have demonstrated academic capability of being highly competent in the field of research. In all other respects, these funds shall be awarded without restriction to sex, race, color, handicap, religion or national origin.</p>	<p>The final choice of recipient(s) of this award shall be made by the Department Head of the Department of Anatomy & Physiology with approval from the Dean of the College of Veterinary Medicine. Selection shall be made in the fall of each year funds are available.</p>	
<p>The recipient of this scholarship will be a professional degree student properly enrolled in the College of Veterinary Medicine at Kansas State University or a student completing a graduate degree within the College of Veterinary Medicine at Kansas State University. The recipient must be a resident of the state of Kansas.</p>	<p>General Scholarship Committee of Kansas State University or its successor, who will act upon recommendations made by the College of Veterinary Medicine Awards and Scholarship Committee in consultation with the College of Veterinary Medicine Research Committee. Selection will be made in the spring of each year funds are available for awarding to begin the following fall.</p>	<p>Debra Feldman, 5501 Lambeth Road, Bethesda, MD 20814</p>
<p>These funds will be used at the discretion of the Director of Graduate Studies and the Director of Master of Public Health in the College of Veterinary Medicine to be awarded to one or more College of Veterinary Medicine graduate students who are interested in international public health. The funds are to be used to support international travel costs for the student(s).</p>	<p>The funds will be made available upon written request by the Director of Graduate Studies and the Director of Master of Public Health in the College of Veterinary Medicine and upon written authorization by the Dean of the College of Veterinary Medicine for the purposes stated.</p>	<p>Dr. Lisa C Freeman and Dr. Douglas Rose, 1113 Lawrence Ave, Lawrence, KS 66049</p>
<p>The primary goal of this fund is to provide financial assistance to graduate students in good standing in the College of Veterinary Medicine at Kansas State University with unexpected expenses related to research programs and/or professional development who, without this assistance, could suffer considerable delay in completion of their advanced degree, or would have to withdraw temporarily from their course of study.</p>	<p>Distribution of funds will be at the discretion of the College of Veterinary Medicine Scholarship Committee, upon recommendation from the candidate's major professor. The funds shall be made available for distribution upon written request from the Dean of the College of Veterinary Medicine.</p>	<p>Rosemary N. Burroughs, 3031 Wayne Drive, Manhattan, KS 66502</p>

<p>The recipients of this scholarship shall be graduate students who are properly enrolled in the College of Veterinary Medicine who are interested in pursuing advanced training in Small Animal Surgery. The recipient must possess a DVM degree and have demonstrated academic capability to be highly competent in the field of research.</p>	<p>The final choice of the recipient of this scholarship shall be made by the Graduate Research Committee in the Department of Surgery and Medicine who shall act upon recommendations made by the Department Head, Chief of Small Animal Surgery and the Associate Dean of Research. Selection will be made in the spring of each year that funds are available for awarding to begin the following fall.</p>	
<p>The primary goal of this fund is to provide financial assistance to a graduate student(s) in good standing with the Graduate School (College of Veterinary Medicine graduate programs) at Kansas State University. This endowment will provide enhancement dollars for a graduate; undergraduate student(s) if there is no appropriate graduate student candidate, focusing on whole animal research of any kind will qualify for consideration.</p>	<p>The selection shall be determined by the Department Head. Distribution of funds will be requested by the Department Head through the Business office of the College of Veterinary Medicine for final approval by the Dean of the College of Veterinary Medicine. Time of selection shall be open.</p>	<p>anonymous donor</p>
<p>The recipients of this scholarship shall be a student(s) properly enrolled in the College of Veterinary Medicine at Kansas State University in a dual degree (DVM/Masters Degree) program who, in the judgment of the Dean of the College of Veterinary Medicine, the College of Veterinary Medicine Committee on Scholarships and Awards and the Office of Student Financial Assistance of the University has demonstrated need.</p>	<p>The final choice of the recipient(s) of this Scholarship shall be made by the General Scholarship Committee of Kansas State University or its successor acting upon recommendations made by the Scholarship Committee of the College of Veterinary Medicine from eligible students who apply for scholarship assistance. Selection will be made in the spring of each year that funds are available for awarding the following fall, provided an eligible candidate(s) are available. Income will be accumulated until awards are made.</p>	<p>Dr. and Mrs. G. Roger Spencer, 625 Northwest Polaris, Pullman, WA 99163</p>

<p>It is the desire of James and Muriel Cook that if the cost of lectureships have not absorbed the earnings within a given year the unused earning may be used a) to recruit talented graduate students, b) to pay for a graduate student to attend meetings which would enhance their individual graduate studies, or c) allowed to accumulate on occasion toward principal to allow for retaining purchasing power of earnings. The recipient(s) shall either be currently enrolled at Kansas State University in the College of Veterinary Medicine as graduate students in the Department of DMP or, for recruiting purposes, shall be eligible for enrollment at Kansas State University, College of Veterinary Medicine in the Department of DMP.</p>	<p>The lectureship or recipient(s) shall be identified by the Head and faculty representatives of the Department of DMP. The Department Head will make the funding request through the business office of the College of Veterinary Medicine for final approval by the Dean of Veterinary Medicine. The time frame for choice of lectureship and/or recipient(s) shall be open. DMP is taking care of these funds.</p>	<p>James and Muriel Cook, 301 North 15th Street, Manhattan, KS 66502</p>
<p>Qualifications and selection of award recipients: A. Fourth Year student in the Kansas State University College of Veterinary Medicine who is in good standing and had a "B" or better grade average in all veterinary college subjects or a DVM pathology graduate student who has been employed by the Kansas State University VDL for at least one year. An interest in and ability to solve diagnostic disease problems of livestock and horses is an important qualification. B: Nominees for the award must be named by pathologists who are either employees of the Kansas State University VDL or other pathologists who are also faculty members of the College of Veterinary Medicine. Selection of the recipient can be made by any appropriate awards committee with responsibility for selecting similar award recipients.</p>	<p>Income from the fund shall be used to make one award annually at the Awards Banquet or another appropriate annual event. The award shall initially consist of a plaque and ultimately of a plaque and monetary award of no less than \$100 as net income from the fund permits.</p>	

<p>The recipient(s) of this assistantship shall be a DVM and/or graduate veterinary student(s) properly enrolled in the graduate school (College of Veterinary Medicine graduate program) who are pursuing a graduate degree at Kansas State University. The primary use of funds shall be to facilitate graduate study in Pathology in the Department of DMP. If there is not a graduate student pursuing study in Pathology, it may be used for a graduate student in the area of Laboratory Medicine and/or Toxicology in DMP.</p>	<p>The recommendation of recipient(s) for this assistantship shall be made by the heads of the departments in the College of Veterinary Medicine and approved by the Scholarship Committee for the College of Veterinary Medicine. The distribution of funds will be requested through the business office of the College of Veterinary Medicine upon approval by the College of Veterinary Medicine Scholarship Committee and the Dean of the College of Veterinary Medicine. The recipient must meet all requirements of the General Scholarship Committee of Kansas State University or its successor.</p>	<p>Linda G. Kruckenberg, 2851 Oregon Lane, Manhattan, KS 66502</p>
<p>Funds are awarded on a competitive basis for the purpose of supporting graduate student travel to scientific meetings or other scholarly activities.</p>
