

Resolution to Allow Chapters to Recruit to Average Chapter Size

Whereas, The Panhellenic Extension Committee was formed by act of the Panhellenic Council for the exploration of adding a new chapter to the Kansas State University sorority community and so they have done; and

Whereas, The Panhellenic Extension Committee, after careful review, has recommended the PHC Board of Directors bring forward a motion to allow all chapters under the average chapter size of 147 members to recruit to a maximum chapter size of 147 members; and

Whereas, The Panhellenic Council Board of Directors supports this recommendation as a means to offer membership to unaffiliated, eligible and qualified women;

Let it be resolved, That the Kansas State University Panhellenic Council allow all chapters under the average chapter size of 147 members to recruit to a maximum chapter size of 147 members beginning immediately and concluding for a chapter when they reach average chapter size or at the end of the spring term, whichever shall come first.
