

Resolution to confirm Total allowable chapter size of 140

Whereas, A resolution presented to Kansas State University Panhellenic Council in Fall 2007 by the Community Growth Planning Workgroup passed and encouraged the annual review of Total (the allowable chapter size for members organizations); and

Whereas, After an informal review of Total by interested and present chapter advisors, alumnae volunteers, and the Primary Sorority Advisor, Total seemed most appropriate at 140 members; and

Whereas, According to a resolution of the National Panhellenic Council defining four options for determining Total, keeping Total at 140 members is most appropriate for Kansas State University Panhellenic Council member chapters;

Let it be resolved, That Total should remain at 140 members for the 2008-2009 academic term.
