

**Kansas State University Panhellenic Council  
Resolution in Support of Alcohol-Free Social Events in Men's  
Fraternities.**

RESOLUTION            Kansas State University Panhellenic Council's collegiate chapters will co-sponsor social events in men's fraternities such as houses, residence halls, or lodges if and only if those facilities have been declared alcohol free establishments.

INTERPRETATION    Homecoming Float Construction, held within a reasonable time prior to Homecoming activities, must be alcohol-free and will be the only exception to the resolution. Float construction can take place at a facility that is not alcohol-free, but it must still be registered with Greek Affairs 48 hours prior to the event and will be monitored by the Social Responsibility Committee for compliance with the Substance Abuse Policy.

SANCTIONS            Violations of this resolution and exception will result in monetary sanctions of \$150 for the first violation, \$300 for the second violation, \$500 for the third violation, and judicial hearing for any further violations.

If a social event is not registered and takes place at a fraternity that is not alcohol-free, chapters will only be sanctioned for violating Section 3A of the Substance Abuse Policy.
