

**K-State Office for the Advancement of Women in Science
and Engineering (KAWSE)
125 Seaton Hall
Kansas State University
Manhattan, KS 66506-2905**

Kansas State University is committed to making program activities accessible to all participants. If you have special requirements due to disabilities or dietary restrictions, indicate your needs on the application form or contact the Division of Continuing Education Registrar at (785) 532-5566 at least three weeks before the start of the program. After this date, we will make every effort to provide assistance, but cannot guarantee that requested services will be available.

Notice of Nondiscrimination: Kansas State University is committed to a policy of non-discrimination on the basis of race, sex, national origin, disability, religion, age, sexual orientation, or other non merit reasons, in admissions, educational programs or activities, and employment (including employment of disabled veterans and veterans of Vietnam era), all as required by applicable laws and regulations. Responsibility for coordination of compliance efforts and receipt of inquiries, including those concerning Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act, has been delegated to Jane D. Rowlett, Ph.D., Director of

GROWing Green

Saturday, April 14, 2012

Hosted By:

**KANSAS STATE
UNIVERSITY**

K-State Office of the Advancement
of Women

in Science and Engineering

Who Should Attend?

This event is intended for girls currently in the 6th, 7th and 8th grades. Girls can come on their own or with a group of friends from school or their community.

Teachers are also invited to attend to observe activities that can be used in their classrooms. Parents who choose to attend should plan to observe activities with a group of girls that does not include your daughter.

What will we do?

In honor of Earth Day! You will participate in hands-on activities led by K-State graduate and undergraduate students. All the activities will explore some of the most new and innovative ways scientists & engineers are working to save our planet!

When & Where?

Saturday, April 14th - we will begin the day at 9am and end at 3pm. All events will take place at the K-State campus in Manhattan.

How Do I Sign Up?

To register, complete the form on the next page. Please make additional copies for each person attending. Mail in the form along with payment (check/money order) to the address provided. **Please DO NOT SEND CASH!**

Registrants will be e-mailed a confirmation packet once the GROW team receives a completed registration. Registration is on a first come first serve basis and will be limited; we will waitlist additional applicants if necessary.

Registration deadline is Friday, April 6, 2012.

What if I have to cancel?

Should you need to cancel, please do so as soon as possible. This will allow those on the waitlist to participate. **Unfortunately, we cannot issue refunds except to those waitlisted applicants we cannot accommodate.**

I still need more information....

Please contact Yasché Glass at the KAWSE office, home of GROW at (785) 532-6088. Send us an email at grow@ksu.edu or visit our website at www.ksu.edu/grow.
