REGISTRATION INFORMATION
The registration fee includes room and board, supplies, workshop materials and a T-shirt.

REGISTRATION OPTIONS
Fill out and submit the online registration form at: k-state.edu/grow
OR
Fax the attached completed registration form to 785-532-2422, Attn: GROW
OR
Mail the attached completed registration form with a check or money order made payable to Kansas State University:

GROW
Division of Continuing Education
Kansas State University
1615 Anderson Ave.
Manhattan, KS 66502

Register early; space is limited! Deadline is 5 p.m. June 4, 2014. If a scholarship is requested, please complete the scholarship request section of this brochure or the scholarship request form online at k-state.edu/grow. Participants will be notified of their scholarship application status and any remaining registration balance is due by June 4, 2014.

Registrants will be mailed a confirmation letter, receipt, consent form, maps and registration information. The consent form MUST be returned to K-State by Friday, June 13, 2014.

If you must cancel your registration, do so as soon as possible. You may arrange for someone to take your place if you notify the Division of Continuing Education. A full refund, minus a $25 processing fee, will be made if cancellation is received by the Division of Continuing Education by June 4, 2014.

HOUSING AND TRANSPORTATION
Program participants will be housed in residence hall rooms (double occupancy) at Kansas State University.

Participants can indicate on the registration form the name of another student with whom they would like to share a room. We will make every effort to fulfill the request.

All meals from lunch on Wednesday to lunch on Friday are included in the registration fee. Snacks are provided during the morning and afternoon sessions as well as in the residence halls in the evening.

Participants are responsible for their own transportation to and from K-State Manhattan.

The residence hall is within walking distance of on-campus activities and transportation will be provided to any activities off campus.

15TH ANNUAL
SUMMER WORKSHOP
JUNE 18-20, 2014

ABOUT THE WORKSHOP
The GROW Workshop is a three-day program held on the K-State Manhattan campus. This workshop is designed to encourage and inspire middle school girls to pursue a future in science, technology, engineering, mathematics (STEM) and pre-health professions. Participants will stay in the residence halls during the workshop and have the opportunity to meet girls who are also interested in a future in STEM fields.

WHO SHOULD ATTEND
This event is intended for students who have completed the fifth, sixth and seventh grades in May 2014. Students are welcome as individuals or members of a Girl Scout troop or similar organization.

Students will be chaperoned at all times during their stay on campus by K-State undergraduate and graduate students who will serve as their mentors.

WHEN
The GROW Workshop will begin at 10 a.m. on Wednesday, June 18, 2014. Attendees should plan on arriving on campus on June 18 by 9 a.m. to register and check into the residence halls. The workshop will conclude by 5 p.m. on Friday, June 20, 2014.

WORKSHOP CONTENT
During the day, students will participate in hands-on activities, field exploration and design projects. A diverse range of activities will emphasize the broad career possibilities in the STEM fields. We will do our best to put previous GROW Workshop attendees together as a group to attend new activities.

In the evening, students may socialize with participants from other groups through activities and team games!

SCHOLARSHIP REQUEST
Need-based scholarships are available. A parent or legal guardian should complete and submit this application if their student has financial need and wants to be considered for a scholarship. This information will not be shared with anyone outside the K-State Office for the Advancement of Women in Science and Engineering.

NAME OF PARENT OR GUARDIAN

NUMBER OF CHILDREN IN THE FAMILY

1. PLEASE CHECK ALL THAT APPLY:
   ___ My student participates in the reduced fee lunch program.
   ___ My student would qualify for the reduced fee lunch program but we choose not to participate.

2. Please provide any other information relevant to helping us accommodate your needs. A short written statement is required. Use additional paper as needed.

SIGNATURE OF PARENT/GUARDIAN  DATE

Signature indicates that all information is accurate to the best of your knowledge.
