*The Healthy Decisions Advisory Board is a group of your peers committed to providing you with all the information necessary to make sure you have the best college experience possible.*

## Recent Events

Healthy Decisions is currently in the Community Phase of its mission in aiding college students.

A speaker series was held Tuesday, Feb. 3 to educate students about opportunities available to them over the summer. Opportunities include: summer housing, jobs, internships, and study abroad programs.

Those wishing to study broad were advised to begin applying now for next year. One

speaker recommends packing a camera, diary, and plenty of underwear.

The next speaker series will be held in the Union Courtyard and Bosco Plaza on Mar. 3. The series will last from 10 a.m. to 2 p.m. and feature Spring Break and safety.

If you have a story you would like to share, please contact K-State Healthy Decisions.

## Featured Service: *Financial Planning Clinic*

A new Financial Planning Clinic has recently opened at K-State.

The goal of the clinic is to provide a lab environment that will aid in studying the risks of various profiling and behavioral counseling related to the academic intersection between financial planning, marriage, and

family therapy.

While helping the university, the clinic also wants to help the community. Their **services are free** and clients agree to be part of ongoing research.

The Clinic is open 10 a.m. to 5 p.m. and is located on 555 Poyntz Ave. Suite 231.
