Dear K-State Colleague:

As you depart K-State, we would like to wish you the best of luck in your future endeavors. Because K-State wants to improve the working environment, we are seeking valuable information pertaining to your employment experience and why you left Kansas State University.

Three opportunities are available to share your experiences as a K-State employee. You may choose to schedule a face-to-face interview with your unit head, Dean, or central administrator (i.e., Asst. or Assoc. Provost or Vice-President). Another option is to complete an on-line exit interview survey that will be sent to you in the next few weeks via your e-mail. Because we want to provide everyone an opportunity to complete a survey, we would like to remind you to forward e-mail or an at-home e-mail. This can be done by accessing <https://eid.k-state.edu/eProfile/>. A third option is to request a paper copy version of the survey by contacting the Office of Planning and Analysis at pa@ksu.edu or by phone (785-532-5712).

All responses for both the online and paper surveys are confidential. Only aggregated Data will be reported by the Office of Planning and Analysis. Thank you in advance for Completing the survey and/or scheduling an exit interview, and therefore, helping us in this important endeavor.

Collegially,
