JS800001

Zune Music Video Player Black. Includes 30GB Zune digital media player, earphones and sync cable.

MODEL- JS8-00001

VENDOR- MICROSOFT

FEATURES- Zune Digital Media Player- Black finish

Zune starts with a 30GB digital media player and adds a twist. You can wirelessly share selected full-length sample tracks, playlists, pictures or your home-grown tracks directly from Zune to Zune. You can listen to the full-length songs that you receive up to three times in three days, flag the ones you like and easily buy them the next time you sync up. You can discover new music in the Zune Marketplace, and show off your favorite pictures and videos on the big, bright screen. Zune has all that and a built-in FM tuner, too. Let your inner DJ run wild.

* Wireless Zune-to-Zune sharing.

Zune lets you spontaneously share selected full-length sample tracks of your favorite songs, homemade recordings, playlists or pictures with friends wirelessly, device to device. You can listen to any song you receive up to three times in three days. And, if you like a song you hear and want to buy it, you can flag it right on your device to easily find it later.

* Your own personalized Zune.

Zune is easy to use and easy to love. You can choose one of three base colors, each combined with a distinctive double-shot finish created by

- the overlay of one color on another. The player also can easily be customized with your favorite pictures.
- * Large color screen.
Zune comes with a bright 3-inch LCD video screen that works in portrait or landscape mode. Your music, video and pictures never looked better.
 - * 30GB player.
Zune stores up to 7,500 songs, 25,000 pictures or 100 hours of video. You can make playlists on the go and watch a slide show while you're listening. Watching video in landscape mode gets the most out of the vivid display.
 - * Zune Pass.
Downloads or a subscription? It's your choice. A Zune Pass subscription gives you "all you can eat" access to discover and explore the Zune Marketplace.
 - * Built-in FM tuner.
With the built-in FM tuner you can listen to local FM radio stations or tune in to programming while you're at your local health club, for example. Advanced tuning capabilities allow you to see the name of the song currently playing on selected frequencies.
 - * Accessories
You can choose from a full line of accessories to outfit your Zune. Three Zune Accessory Packs provide complete solutions for Zune in your car, in your home or while you travel. Individual accessories are also available.
 - * Online music store.
You can browse the huge selection of music designed to work seamlessly with your Zune in the Zune Marketplace. When you find new music that you love, it's simple to buy it and sync it on your player. The Zune Marketplace works with the Microsoft Points program so you can purchase music online without a credit card.
 - * Import your music.
Zune software can automatically import your existing music, pictures and videos from iTunes and Windows Media Player in a variety of formats, including your existing playlists and song ratings, as permitted by the online service from which it was purchased.
 - * It only gets better.
As Zune evolves, your device can be easily updated. The Zune software on your PC will let you know when updates are available for download. And with built-in wireless capability in each player, the future is filled with possibilities.
 - * Dimensions: 4.4" x 2.4" x 0.58" (112mm x 61mm x 14.7mm)
 - * Weight : 5.6 ounces (158 grams)
