K-State IBM-SPSS Licensing Information

ALL NEW USERS MUST SIGN/RETURN A LICENSE Agreement to VPITS Business Office (email to spssadmin@ksu.edu or campus mail to Unger Complex 125).

Note: to meet contract requirements, these licenses may only be installed on University owned or leased equipment.

There are two types of licenses, one for teaching and research and another for administrative use. IBM SPSS is enforcing their “TEACHING and NON-COMMERCIAL ACADEMIC RESEARCH only” policy on the Campus Value Option license agreement. We are required to specify whether primary use is for “TEACHING and NON-COMMERCIAL ACADEMIC RESEARCH” or “UNIVERSITY ADMINISTRATION and OPERATIONS”.

Definition of Use:

“Non-commercial academic research means research by degree seeking students and faculty members where (i) the results of such research are not intended primarily for the benefit of a third party; (ii) such results are made available to anyone without restriction on use, copying or further distribution; and (iii) any copy of any such result is furnished for no more than the cost of hosting, reproduction, and shipping. Any other use including but not limited to university administration and operations is strictly prohibited.” (Addendum to IBM International Program Licenses Agreement for IBM SPSS Campus Value Option, Section 1.d.)

If you have additional questions about your usage, please contact spssadmin@ksu.edu.
