Habitat Restrictions

Comments

No useful habitat information
Always found in open areas, but may be among rocks, in grass, or in bare spots. Seldom climbs on to objects. Prefers loose soils.

Study conducted in western United States. Habitat information not used in model.

Distribution only
Distribution only

No useful habitat information
Platt: Not present in Harvey County today as far as I can tell.

Rundquist: Usually found in upland situations. Never in rock associations.

12 - Sandsage Shrubland

Tihen and Sprague, 1939

17 - Tallgrass Prairie

Heinrich and Kaufman, 1985
Busby and Parmelee, 1996

Found in upland prairie and along graveled trails.

22 - Mixed Prairie

Tihen and Sprague, 1939

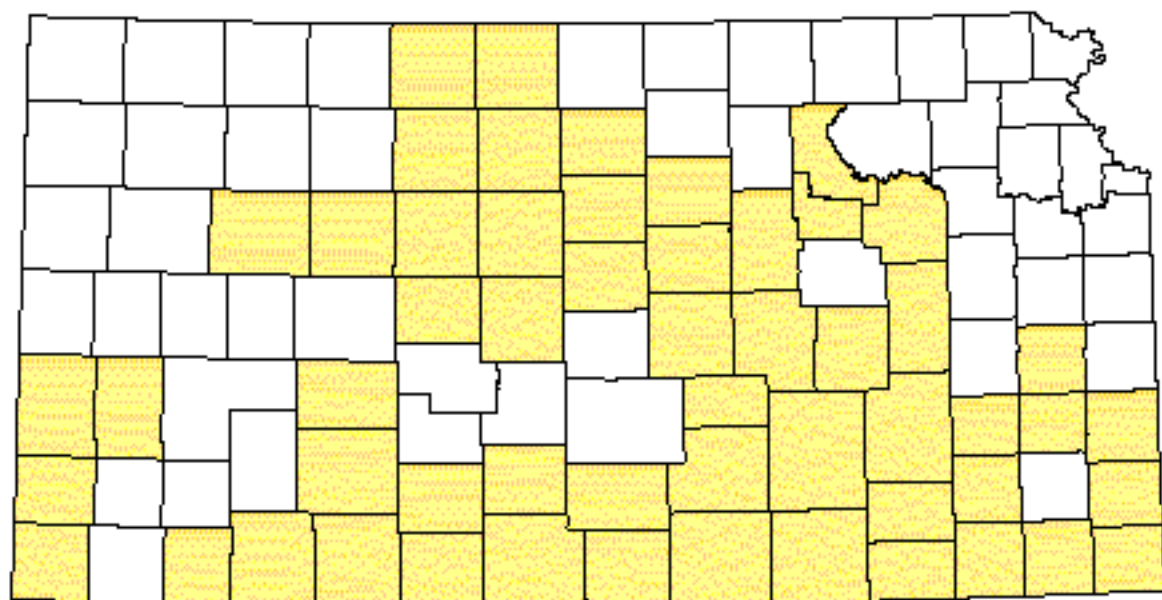

25 - Shortgrass Prairie

Tihen and Sprague, 1939
