We are pleased to invite you to participate in a master class given by Charles Castleman at Kansas State University, sponsored by the KSU Student Chapter of ASTA with NSOA and the Department of Music. Four violinists, chosen by audition, will be given the opportunity to perform and be coached by Mr. Castleman. This residency has been made possible by a grant from the University Distinguished Lecturers Committee and the Office of the Provost of Kansas State University.

To audition, please submit a DVD or video tape of your performance of the work (no more than one movement) you would perform in the class by February 1, 2007. Participants will be notified of their acceptance by phone the following week. Please note that performers will need to provide their own pianist for accompaniment. Send the recording and the bottom portion of this page to:
