

President, Dusty Garner, called the meeting to order at 5:00pm on Wednesday, September 30, 2009. The meeting started with an update on how the Panel on Friday went.

We proceeded with Old Business starting with the t-shirts. Dusty announced that they will be in next meeting October 7th. They will be ten dollars. It was announced that a separate t-shirt contest will be held at a later date. The next item was finalizing National Coming Out Day. Chalking on Thursday, October 8th will be led by Ana. We will be doing the rainbow and list of famous LGBTQ people. Scott is leading the booth the next day October 9th. Many members volunteered to help with the awareness game and the booth.

Dusty started New Business by announcing that there will be a benefit at The Loft on Tuesday, October 6th for members traveling to Washington DC to attend March on Washington. The next item was Manhattan Gay Pride. A committee was selected. The co-chairs are Lucas Ebert and Sabrina Jones and they will report back to us bi-weekly. The Students of Cultural Studies approached us to help them bring a Drag Show to campus. We agreed to consider it and Dusty will be attending a meeting in the next two weeks and update us at the next meeting.

The floor was opened up for any other new business. Sam brought before the group that he was having trouble with one of his professors' attitude towards the LGBTQ & More community. It was decided that Dusty would write a letter to be printed in the University newspaper and to be sent to the student and faculty senate. Another member requested that the minutes be posted not only on Facebook but sent over list serve. It was also voiced that HEAVEN being at The Loft cause certain issues and it was requested that the door guy would be posted outside to help stop hate crimes. IT WAS ALSO REQUESTED THAT MEMBERS UNDER 18 DON'T DRINK. It is illegal and will end HEAVEN for good. The final new business was a member from GRL asked that we donate money for the Out and Greek Conference. It was decided we will try to donate 100 dollars to have our name advertised on the back of the Conference shirts.

Finally reminders were given. Members were reminded that Gayme Night is October 1st at 7:00 pm, Room 209 in the Union. They were also told that time was running out to get on the mentor list and to come see Kayla if they hadn't already. The meeting was adjourned at 6:00pm.
