Ellyn R. Mulcahy, PhD, MPH  
Director, MPH Program  
Kansas State University  
*Sent via email*

Dear Dr. Mulcahy:

This acknowledges the program's communication of June 15, 2022 with notification of a substantive change. The Council on Education for Public Health reviewed your notice on August 16, 2022, at which time we acted to accept your submission.

We understand that the program has added a generalist BSPH in both campus- and distance-based formats.

I have attached a seal that reflects the program's new status with accredited public health bachelors and master's degrees. Additionally, staff will soon forward an invoice for the substantive change fee, as noted in CEPH's [fee schedule](#).

To maintain accredited status, the program must continue to submit annual reports as required. The next full review must take place with a site visit by December 31, 2026. We look forward to these upcoming review activities.

Sincerely,

A handwritten signature in black ink that reads "Laura Rasar King".

Laura Rasar King, EdD, MPH  
Executive Director
