

## Funding Ideas for Field Experience

Some field experiences are paid positions and others are on a volunteer basis. All costs associated with the field experience are the responsibility of the student including travel and housing. Below is a list of scholarships and grants other students have used to finance all or part of their field experience.

Scholarship/Organization	Website
<b>AVMA Student Externship Stipend Program.</b> Offers assistance to student seeking to broaden their education through experience in Public Practice, Corporate Veterinary Medicine and Food Supply Veterinary Practice.	<a href="http://www.avma.org">www.avma.org</a>
