

Dr. Michael Cates presented the first **Graduate Certificate in Public Health Core Concepts** to Ms. Tara Lopez, BSN on January 6, 2011. Tara completed the requirements for the certificate Fall 2010 semester. The certificate is available to graduate students and professionals who complete the core courses in the Master of Public Health curriculum (STAT 702 or 703, DMP 806, DMP 754, HMD 720 and KIN 818). Application for the certificate is made through the Graduate School and awarded by the Master of Public Health Program director and Graduate School dean.
