

# SIBELIUS' "GROOVY MUSIC"

Presenter: Bobbie Thornton, Sibelius, Central Region Manager [bthornton@sibelius.com](mailto:bthornton@sibelius.com)  
630-552-7011 Sales 888-474-2354 [www.sibelius.com](http://www.sibelius.com)

## KEY FEATURES!

- Easily integrate technology into your teaching
- Control children's screens and workflow in a networked environment
- Can be used on a single computer, whiteboard or network
- Makes time with students fun and efficient
- Uses the latest educational standards and teaching methodologies
- Students learn at their own pace and own level
- Uses an imaginative virtual environment where students arrange shapes, characters and images to create music - IMMEDIATELY.
- Music can be saved as MIDI files for import into Sibelius for further work. (Groovy Music Mark-Up plug-in)
- Is a General Music curriculum (comes with lessons)
