Slide 1

SIBELIUS TO CREATE WARM-UPS

■ CREATE SCALES AND WARM-UPS

- For Band or orchestra
 - First create single line
 - Then use Arrange feature to explode out to rest of score
 - Print out dynamic parts
 - Use PLUG INS/OTHER/SCALES AND ARGEGGIOS
 - Use Worksheet creator to provide
- For Choir
 - Create single line
 - Use plug-ins to provide tonic sol-fa

Music Minus One

- **From MIDI files, live input or scanned music.**
 - Provides on-screen viewing of parts and accompaniment for solo voice and choir.
 - Sibelius SCORCH can provide accompaniment and notation for solo voice, choir and/or part playing.
 - Practice audio files (accompaniment) can be made right from Sibelius, then burned to CD's.
 - MIDI files (in every style and genre) can be opened into Sibelius, key changed, used as accompaniment.
 - PDF files (<http://www.sheetmusicarchive.net>) of classic literature can be opened into Sibelius, using Photoscore. (Free)

- **Use Focus on Staff to hide everything but the solo line.**
 - Sibelius can provide hidden accompaniments, with muted solo line visible so student can play along.
 - SCORCH for internet accompaniment.
 - Practice audio files can be rendered from Sibelius, burned to CD, for practice.

- **SCORCH for online practice at home or school**
 - Sibelius allows easy input from scratch, or pull in a MIDI file, and let Sibelius notate it.
 - File/Export/Scorch creates a file that can be read by anybody (they don't need Sibelius).
 - Create accompaniments using plug-in composition tools (ie., to provide drums and to
 - Scan in accompaniments, or choral arrangements, change timbres to guide students during practice.
 - Students can practice their part, against the harmonies, at home and come prepared for rehearsal.

Create audio files and burn to CD

- **File/Export/Audio**
- **For PC, save as .wav, for Mac aiff**
- **Use iTunes on Mac to burn to CD**
- **Use Windows Media Player on PC to burn to CD.**

Thank you for attending this session!

A handwritten signature in black ink that reads "Bobby Thornton". The signature is written in a cursive style and is positioned on a light-colored, slightly textured background.
