

**If you want peace  
work for justice.**

*"Nonviolence is not inaction. It is not discussion. It is not for the timid or weak... Nonviolence is hard work. It is the willingness to sacrifice. It is the patience to win."  
-Cesar Chavez*

ACTION is an activist student organization associated with the **Campaign for Nonviolence at KANSAS STATE UNIVERSITY**. We are a group looking for students who are willing to take a stand against violence and actually do something to encourage diversity and positive social change in society.

*"When the power of love over-comes the love of power the world will know peace."  
-Jimi Hendrix*

What kinds of change will occur in our life-time?  
Its up to you.

Nonviolence scholar Howard Zinn said, "you can't be neutral on a moving train." Each of us shapes the direction of our mutual futures through the choices we make every day and through active participation with others.

We invite you to join ACTION, as we work in collaboration with the K-State Campaign for Nonviolence and other activist groups to build a safe, equitable campus and a peaceful, just world.

ACTION is a member of the **Progressive Coalition**, which is dedicated to helping campus organizations work for social change.
