A Season for Nonviolence is an international, grassroots movement dedicated to demonstrating that nonviolence is a powerful way to heal, transform, and empower our lives and our communities. It is observed annually during the 64-days between the assassination anniversaries of peacemakers Mahatma Gandhi on January 30 and Martin Luther King, Jr. on April 4. The K-State and Community Campaign for Nonviolence (CNV/CCNV) celebrates its 7th Season in 2008 with numerous events. Pick up your free "64 Ways to Practice Nonviolence" poster (now in English or Spanish) at the Women's Center/CNV/SafeZone Kiosk in the K-State Union, Manhattan, KS 66506.

Sponsored by the K-State CNV and the Community CCNV and a coalition of other groups.
