# National Residence Hall Honorary

Check us out!

## What are we all about?

The K-State chapter of the National Residence Hall Honorary (NRHH) represents the top 1% of student leaders living in K-State on-campus housing. Regular meetings are held in addition to special events and

community service activities.

The op-

portunities to be involved are nearly endless in our organization. Whether your passion is recognition, planning a large banquet, or grading OTMs, there is something that seems to intrigue each of our members!

## Committee Involvement...

Each member of NRHH is required to serve on at least one committee. Committee options are OTM, Recognition & Programming, Awards & Banquet, Community Service, and Bidding.

### OTM Committee

The OTM, or Of The Month, committee is responsible for the campus-wide, monthly recognition program. Committee members promote the OTM program and select one submission from each category to be submitted to the regional (and possibly national) level. Programs, individuals, and groups can all be recognized by a written OTM; the only requirement is that whomever or whatever is being recognized had a positive impact on at least one person in the residence life community. Anyone can write an OTM and can locate more information on the NRHH website. Submissions are due on the 5th of each month.

### Recognition & Programming

### Com- mittee

The recognition and programming committee is responsible for recognizing various organizations across

campus who go above and beyond in their efforts to assist K-State students everyday. We recognize anywhere from 2 to 3 different organizations each month. We also are in charge of planning programs students living in on-campus housing.

### Awards & Banquet Committee

The Awards and Banquet Committee (ABC) is primarily responsible for the Leadership Banquet that is held for all on campus student leaders in April of each year. Over 200 people attend each year from all the halls and apartments that make on campus living great. This banquet recognizes students for their outstanding achievements throughout the

year. In addition, the Of The Year (OTY) awards are announced and the Hall of the Year is unveiled during the banquet. All events are held at the Alumni Center and the ABC committee is in charge of everything from food, to the decorations, to all the awards given away throughout the night!

### Community Service Committee

The community service committee works to offer opportunities for NRHH members to actively honor one of the valued aspects of the organization: volunteer work. This committee meets to coordinate service activities and projects for all members to participate in. Programs are planned for K-State and Manhattan area agencies. The work of this committee not only improves the strength and unification of the group, but it also provides the city with a hand-full of willing public servants for various events throughout the year.

### Bidding Committee

The Bidding Committee is responsible for preparing bids about individuals, organizations, and programs. These bids focus on the strengths and accomplishments of the subject over a certain period of time. The bids are then put into competition with other bids, whether they be from K-State, regional level schools, or even national levels. Bids are a great way to recognize the efforts of others and celebrate the work happening here at K-State.

## Want to apply?

Applications can be submitted via our website [www.ksu.edu/nrhh](http://www.ksu.edu/nrhh) starting October 12th. Applications are due October 24th. One letter of reference is needed in addition to your application. This form can also be submitted via our website. The reference cannot be a current NRHH member or advisor.
