 - ❖ Ryan is the new Secretary!
 - Recognition and Programming Chair
 - ❖ Read a description/time commitment
 - ❖ Nominations: Renee
 - ❖ Renee is the new Chair!
- Care Packs
 - There was moldy fruit again.....there was less moldy fruit and we did have extra if people came back we could replace it
 - The big boxes were mislabeled-(we did that)
 - The different packages names were too close and people got confused
 - We are going to try to group names by complex instead of just by hall
 - Before we do it we should do a short training so everyone can see the difference of packages
 - When we do this again, we need to double check the boxes to make sure that the students are getting what their parents paid for
 - We need to count better because we ended up with the wrong amount of boxes and then we ended up paying out of our profits to get more boxes in.
 - Next time we need to count better and be more careful!!!
 - Send a letter to all the front desks explaining what is going on
 - Show up to your shift on time!!!

- If you can't be there please use the contact sheet and contact someone to replace you
- We did send out email reminders.
- We could try to send email addresses in advance.
- We saw a slight increase in number of orders
- Thank you to everyone who worked really hard!
- Even if you can't work please reply back. Don't just not answer the emails.
