1 semester down, 1 more to go!

- Well, here is the first set of minutes from the new secretary. I would first like to apologize if the minutes are a little vague and could probably use some help, but hey, I'm new.
- The meeting began with Andrew Bell and Kari Krier winning cookies! Yum!
- Andrew talked about writing the bid for Chapter. He needs information from old members as well as from the new members.
- A new secretary was needed since the current secretary would be graduating in December. Since no one else seemed too interested in the position, I volunteered and was elected. I hope that I will be able to fill the shoes of the wonderful secretary that was before me!
- Justin informed us that we have "lots o' money!" We need to be thinking of ways that we want to spend some of the money.
- Nasi announced that she will not be serving as Vice President for the spring semester but that she will still try to attend the meetings.
- Since Nasi stepped down from the position of V.P., a new V.P. was needed. Sarah Grover and Andrew Bell were both nominated. Sarah then proceeded to drop out of the running, so Andrew is our new V.P. Congrats Andrew!
- The meeting ended with Andrew winning the You Rock Award for being our new Vice President and for representing us at MACURH!
- Chapter members ended the meeting by bidding farewell to our long and devoted NRHH'ers Devin Schehrer and Katie Crawford. Their dedication and enthusiasm for all their work did not go unnoticed!
