---

It's time again to register your student organization. If you do not renew your registration by April 26<sup>th</sup>, your organization will lose University privileges and not be eligible to receive funds from the Student Governing Association until you register.

Enclosed are the 2008-2009 student organization registration form and other materials that may be of interest to your organization. Please complete the registration form with the fall address of your president. Be sure to have the form signed by both the President and Advisor.

This year we are again requiring that all organizations have a representative attend a meeting before their registration is complete. Additional information is enclosed in this packet. **Please bring your registration form to one of the scheduled meetings.**
