INTERN PROGRAM

The purpose of the K-State Student Governing Association (SGA) is to familiarize and prepare students to become future senators who are active and responsible leaders and communicators. Through the intern program students gain knowledge about current and future issues that pertain to K-State, and can better answer the questions of other K-State students. Interns receive all rights that Student Senators possess, except for voting privileges in Senate meetings.

Responsibilities of an Intern:

- Attend Senate meetings every Thursday at 7:00 PM in the Union Big XII Room.
- Attend a committee meeting once a week (each intern is placed on a standing senate committee).
- Actively participate within your standing senate committee.
- Participate in SGA functions.
- Complete the fall and spring intern projects.
- Understand and voice your opinion on issues that pertain to students interests.

I have read and understand the expectations of a Student Governing Association Intern and am willing to participate in the program.
