**Food Intake History**

**Instructions**: Indicate the usual number of servings you eat from each food group listed below. Foods eaten less than daily should be marked under the weekly or monthly column, but mark only one column per food group. Notice the serving size and adjust your number of servings reported accordingly. Use decimals to indicate partial servings, e.g., .5 for 1/2 or 1.5 for 1-1/2. Be sure to include all foods, snacks, salad dressings, etc.
Example: If you regularly eat an orange and half a tomato daily and cooked vegetables 4 times per week, then mark as shown below.
