5. The Vice Chair called the meeting to order.

6. The minutes were read, for corrections.

7. Gary Leitnaker presented the pre-proposal submitted to the SGA. It proposed to use the \$1.5 million Student Fee Surplus toward the parking garage. Discussion followed.

8. Minutes were read and approved with corrections unanimously.

9. Charles Pearce reviewed Rules and Regulations Committee proposed changes. Questions followed about the 16 hour stalls and increases in 12 and 24 hour stalls. There were questions about what kind of permit would be sold to graduate students and how to address that problem. It was decided that if a grad student thought that they would be eligible for a W permit, but didn't have the appropriate paperwork, then they would be sold a temporary permit so that they could park until they received their paperwork and could purchase the correct permit for the semester/year.
10. Bill Muir discussed proposed pricing changes and permit changes if the parking garage is approved by the legislature. And addressed the proposed changes to reserved stall pricing with a 12 hour stall being \$800, a 16 hour stall being \$1000 and a 24 hour stall being \$1200.
11. There was discussion about the Open Forum which will be held in the Big 12 room of the Union on April 27, 2006. By this time, the legislature should have voted on the parking garage and the changes to the Rules and Regulation and pricing should be finished.
12. Motion to adjourn was seconded and passed at 4:15pm.
