Proposed Regulation Changes

VI. A. 2. All parking fines assessed to a vehicle are the responsibility of the KSU permit holder; state registered vehicle owner; or connected KSU faculty/staff/student. This individual is responsible for instructing any other driver of the vehicle about the parking regulations and compliance. (the rest as is)

II. F. 2. f. Visitors are allowed to send in citations for “No Valid Permit/Authorization”: with the cost of a daily permit and have the citation excused twice per calendar year. (the rest as is)

II. G. 1. a. An owner of a permit that is valid but not displayed or not displayed properly may be given a reduced penalty twice for the duration of permit when parked in the incorrect lot for permit.

II. G. 1. b. An owner of a permit that is valid but not displayed or not displayed properly may be given a reduced penalty when parked legally otherwise.

I. A. 5. Parking permits are not required or valid for vehicles parked in metered parking stalls. Maximum time limits and enforcement hours are designated on the meter. (the rest as is)

II: B. Refunds

Refunds will be made for unused time on a permit when a written request is made and the permit returned to KSU Parking Services. Student request for refunds will be forwarded to the Controller’s Office for processing. Refunds will be prorated based on the date of the written request. No refunds will be made on annual permits after March 1st. Refunds for less than $20 will not be given.
