

AGENDA  
President's Commission on the Status of Women  
Meeting Begins 1:00 pm  
**February 10, 2017**  
**401 Hale Library**

1. Welcome : Attending; Soumia Bardhan, Sarah Reznikoff, Kate Behan, Wendy Barnes, Kelli Cox, Miranda Moore, Clara Kientz, Angela Hubler, Sara Thurston  
Guests; Anna Waugh, Safe Zone Coordinator and Caitlin Carrington, CARE  
Coordinator
2. Review minutes of last meeting; we had discussed the Mid-year report to the  
President.
3. Discuss working groups
  - a. Professional Development Fund; Linda Henriksen has the K-State today  
article ready and with the commission's approval will run it next week.
  - b. Posters/Flyers; The group will meet with Judy Davis, the executive Director  
of the Manhattan Crisis Center and discuss the "Ask for Angela" posters. She  
suggested that the bar staff would need training about intervention. She also  
questioned which restrooms to put the posters in and who to call. She  
suggested handing out the Crisis Center cards, but the committee had  
serious hesitations about doing that for several reasons. A poster with  
several options for how to get out of an uncomfortable/dangerous situation  
would work better. The group will also meet with Linda Mays, the Executive  
Director of the Aggieville Business Association in the same meeting with  
Judy Davis. They will also discuss the Raise the Bar; outreach and bystander  
training. There is no money for this project but maybe we could get some  
Community/Campus funds for it. It was suggested that a student volunteer  
hotline could help get people out of a situation and home instead of calling  
an Umber or taxi. Safe Ride is another option. The group also presented a  
new Lactation Station poster which will have all of the locations of the  
stations. Wendy Barnes is meeting with Lolita Supp about the poster covers  
in the restrooms.
  - c. Lactation Stations; Some chairs have been obtained for use in the lactation  
stations from departments that are moving. The group is going to decide  
where they need to be placed.
4. Discuss meeting with President in reference to the Mid Semester Report
  - a. What should be our main topic; the main topic is the lack of a SANE/SART  
nurse in Manhattan. With the university and Fort Riley in such close  
proximity it is imperative that there is at least one nurse, but hopefully  
more, trained to do this type of exam. With the lack of a Women's Health  
Clinic at Lafene Health Center for the time being a very unsympathetic tone

is being set for K-State Women and their health issues. We would also like to present a resolution to change the Sexual Assault Policy so that there is no way a victim should have to walk across campus or attend class with the person who assaulted them. We would also present our ideas about the posters in the restrooms if time permits.

- b. Who should be go; It was suggested that Clara Kientz and some of her staff who have had to deal with victims of sexual assault attend, along with Angela Hubler and the chair, Felisa Osburn.
- c. When should we meet with him; Felisa will contact President Myers office next week to set up an appointment.

5. Other items of discussion

6. Adjourn; The meeting was adjourned at 2:25 pm.
