TIMELY NOTIFICATION: Sexual Battery

Friday, February 7, 2014

In compliance with the “Timely Notice” provision of the federal Jeanne Clery Disclosure of Campus Security Police and Campus Crime Statistics Act of 1998, Kansas State University Police are giving notice of a disturbing act of violence reported to have occurred near campus Feb. 6.

At approximately 8:34 p.m. Feb. 6, 2014, the Kansas State University Police Department responded to a report of sexual battery at 902 Denison Ave., the Natatorium on the Kansas State University Manhattan campus. The suspect entered the building and sexually battered a female patron.

The suspect is a white male in his 20s, approximately 6 feet tall wearing a black hooded sweatshirt, a ski mask, jeans and a reflective vest.

If anyone was in the area and might have seen the suspect or anything suspicious, contact KSUPD at 785-532-6412 or anonymously at https://www.ksu.edu/police/silent/

It can be assumed that conditions continue to exist that may pose a threat to members and guests of the university community. It is the duty of the institution to warn of possible “dangerous conditions” on or near the campus and at affiliate organizations off campus. An “affirmative duty” exists to warn persons associated with the university of possible peril at the hands of some third party or parties.

Kansas State University Police advises members of the campus community to:

• Report crimes immediately when they occur.
• Report any suspicious activity.

The police department is at 108 Edwards Hall.
