Safety Advisory:

The Kansas State University Police department is currently investigating ongoing reports of an unknown male subject who has been loitering around sorority houses and in the Jardine Apartment complex. He is described as a black male 30-40 years old 6'0 tall and medium build. At this time no crime has been committed however this behavior is a concern. We are encouraging the K-State community to report suspicious activity and use the resources such as Wildcat Walk(785-395-SAFE) and to remember to walk with a friend or in groups. Anyone with information about these incidents can contact the K-State Police department 785-532-6412 and ask for Investigations or submit anonymous tips via "Silent Witness" at www.ksu.edu/police/silent
