Suspicious Activity Reported at Hale Library

The Kansas State University Police Department is investigating reports of a male taking photos of females in Hale Library. The witness reported the person as a black male 5’11-6’0 in his twenties with short hair wearing a blue and white striped polo type shirt. It is believed that the subject was using a cell phone camera to take photos which were sexual in nature. If anyone has information about these incidents they are encouraged to contact the K-State Police Department at 785-532-6412. Anonymous tips can be left at www.ksu.edu/police/silent
