How To Apply
To A Graduate Program

1) Go to https://www.applyweb.com/apply/kstateg/ to fill out an online application. It is easiest to pay the application fee at the time you submit your online application. Otherwise, you can mail a check or money order directly to the program.

2) Supporting materials can be uploaded directly with your application. Note: Do NOT send supporting materials to the Graduate School. It will take twice as long or more for them to forward your materials to the correct department.

3) Supporting materials for domestic students:
   - Payment of $50 if not already submitted electronically
   - Statement of objectives
   - 3 letters of recommendation [must be originals on official letterhead]
   - Transcripts from all previous colleges attended [must be originals]

4) Supporting materials for international students:
   - Payment of $75 if not already submitted electronically
   - Statement of objectives
