

Kansas State University
PRE-DENTAL CLUB
MEETING MINUTES

Sunday, July 24, 2011

President Aaron Avery called the meeting to order at 6:15pm at the Bluestem Bistro.

Aaron Avery, President:

- Aaron has worked on the Pre-Dental Library and has enough material for Principles of Biology (BIO198) and would like help from anyone wishing to contribute to any major science courses in the departments of Chemistry and Biology.
- At the start of school, we will need to promote the club. A few ideas to do this are sidewalk chalking and speaking to large lecture halls. Be thinking about volunteering for these opportunities when they present themselves.
- Aaron has thought of two more ways for the club to make money.
 - 1) Flamingo Flocking: Place plastic purple flamingos in a person's yard around game day and require a donation for it to be moved to a person of their choice (Bayleigh is checking prices for the flamingos).
 - 2) Auction: We can sell ourselves! Have an auction in which our services (mowing, baby sitting, yard work, etc.) for a donation in return.
- Aaron is currently working on amending the Pre-Dental Club Constitution.
- Finally, Aaron would like everyone to check out the Pre-Veterinarian website. They do things well and have great ideas. We would like everyone to look at the site and suggest things that would be good for our club as well.

Katie Kramer, Vice President

- Katie is working on the Oral Health Education program we are going to start. This program will be a volunteer opportunity for club members to go to area schools and teach children about oral health.
 - Obtain list of schools.
 - Create letter to send to local dentists for donations.
 - Start shopping for items to use.
- Katie also brought up a volunteer opportunity through Dr. Hayden. Aaron is looking into this.

Bayleigh Clark, Treasurer

- Our net profit on the fireworks stand produced \$2,352.97! Thank you to everyone who helped!

Pete Ziegler, Secretary

- Pete has started to develop a rough outline for the new point system we will be implementing this year.
 - Officers will be rewarded points for holding office (all officers receive same amount).

- Points are to start over each year instead of rolling over to the next year.

Jamie Ball and Whitney Lindteigen, Social Chairs

- Jamie has been working on the website. She has made quite a bit of progress and it is looking very good.
- Both Jamie and Whitney have been working on a new club logo. The logo is a work in progress.
- The Social Chairs are also looking into the club T-shirt, which should be ready by the beginning of school.
- Just a reminder, there will be a club barbecue Friday, September 16 (More information can be found on the Facebook page.)

President Aaron Avery adjourned the meeting at 7:10pm.

PZ

Members in Attendance: (9)

Avery, Aaron
Ball, Jamie
Clark, Bayleigh
Hrencher, Austin
Kramer, Katie
Lindteigen, Whitney
Nguyen, Ann
Schroll, Justin
Ziegler, Pete
