

**Kansas State University**  
**PRE-DENTAL CLUB**  
**MEETING MINUTES**

Thursday, September 8, 2011

President Aaron Avery called the meeting to order at 6:03 pm in the Sunflower Room of the K-State Student Union.

- Club officers introduced to new members of club
- Played “People Bingo” to get to know one another
- Each person stated their name, year, and major

Aaron Avery, President:

- Introduced freshmen and new members to the club’s new view and goal of becoming more active and involved.
- Pre-Dental Library
  - We ask for any resources/notes/study guides from anyone for the main science courses.
  - We ask for anyone living in a Greek house to help contribute their files to ours.
  - Also, the library will have DAT study books available for club use.
- Community Service
  - Oral Health Program for area schools
  - Community service hours are required for application to dental schools. The more you have the better off you are.
  - The next meeting we will discuss more community service opportunities.
- Intramurals
  - Currently the Pre-Dental Club has a flag football team. It is NOT too late to join. If interested contact Aaron Avery
  - We plan on signing up for volleyball, basketball, and softball. If anyone else has a sport they would like to play, we are open to suggestions.
- Tour of Dentistry
  - Starting soon and lasting through the semester we will be starting a “Tour of Dentistry” in which specialists from all branches of dentistry will visit the club and give us a brief lecture including a Q&A session.
  - Also, we will have special days for a “DAT day” and “Admissions day” where you can learn about preparing for and what to expect from the DAT and the admissions process.
  - We will also include a day for Peer Advising in which the upperclassmen of the club will give the student perspective on which course or teacher is best and when to take them.
- Relationships with dental schools
  - The Pre-Dental Club is also working on creating relationships with and visiting schools such as Creighton and Lincoln.

- We will also either visit or have a speaker come from Iowa, Colorado, and the Arizona schools.
- KMOM
  - Kansas Mission of Mercy is a large event hosted by dentists across the state offering free dental service.
  - It is held February 17-18, 2012
  - Many club members plan on attending this event.
  - KMOM is a great opportunity for community service or shadowing hours, not to mention a great experience in general.
- Point System
  - We are implementing a point system that tracks member involvement in the club.
  - This will allow people to better judge who should be elected at the end of each year.

Bayleigh Clark, Treasurer:

- T-Shirt and membership fees
  - The T-shirt design has been selected and we are asking for sizes and money.
  - Also, to be a member of the club requires an annual \$10.00 membership fee.
  - For both a t-shirt and membership fee, we ask for \$20.00
  - Money for the shirt is DUE OCTOBER 1. You do not get a shirt if you have not paid by then.

Katie Kramer, Vice President:

- Oral Health Program
  - As mentioned above, we are starting a new Oral Health Program for area grade schools. Katie is heading this program and has ordered supplies such as posters and puppets for presentations.
  - This program will be funded by the generosity of area dentists.

Jamie Ball and Whitney Lindteigen, Social Chairs:

- Barbeque
  - The club is having a barbeque Friday September 16 for anyone in or interested in joining the club.
  - This is a great opportunity to meet other members and becoming involved.
- Going virtual
  - We are on Facebook! Search “KSU Pre-Dental Club” and like our page to stay updated on the meetings and events.
  - Jamie is working on an awesome club website that will soon be a way to get involved.

President Aaron Avery adjourned the meeting at 6:57pm.
