

## usability tasks

### Student 1

1. Find information about what ACT score you have to have to get into K-State.
2. You are a high school senior who has never attended college. Find the application you should fill out.
3. You want to apply for a scholarship. Find information about scholarships at K-State.
4. Find information about the costs of residence halls.
5. You would like to get information in the mail from K-State. Find out how to get a brochure or other materials sent to you.
6. You got invited to Western Kansas Senior Day. You've lost the invitation, but you remember that it was sometime in November. Can you find the details?
7. Find information about the different meal plans options available in the dorms.
