

AMERICAN RED CROSS CLUB
CHAIR APPLICATION
FALL '07 – SPRING '08

This is the application for a Chair of committee position in the American Red Cross Club. Read all of the following notes before continuing the application on the next page.

Remember: being an A.R.C.C. leader is a very educational & rewarding experience and only adds to the already-impressive place an A.R.C.C. membership holds on future applications and resumes. Potential A.R.C.C. leaders should be very motivated individuals, with strong organizational abilities and a desire to lead.

-
- Chair positions are typically assumed for one academic year (2 semesters) and early withdrawal from a Chair position is strongly discouraged.
 - Applications are open to all members of the American Red Cross Club, although – excepting special circumstances – priority will always be given to members whose regular participation and years of A.R.C.C. experience exceeds others.
 - Officer positions require approximately four hours of work per week (including meetings with the Executive Committee, organizing group initiatives, etc.), depending on your committee and the time of year. Please consider this responsibility carefully!
 - You may list committees whose officer positions have already been taken – your preference will be kept on file in the event that the position becomes open mid-semester.
 - If you are currently unable to attend the majority of our meeting times but still feel you are qualified for an A.R.C.C. Chair position, you may still apply.
 - You may also attach or include a resume of work experience, activities, honors, awards, etc.; please be sure to describe your role in or experience gained from each.

For the Fall'07 to Spring'08 semesters, the following positions are open for application:

- Blood Services Co-Chair
- Health & Safety Co-Chair
- Public Relations Co-Chair
- Treasurer
