

Subject: Fulbright U.S. Senior Scholarship at the University of Technology, Sydney, Australia

Dear Dr Peter Dorhout,

The Australian-American Fulbright Commission is currently accepting applications for a **Fulbright Senior Scholarship, sponsored by the University of Technology, Sydney (UTS).**

We are keen to ensure no one misses out on the opportunity to apply, and so I am writing to you to ask if it would be possible please to promote the scholarship to your faculty networks and feature the opportunity on your website, email and social media platforms.

The U.S Fulbright Senior Scholarship, sponsored by UTS enables senior level academics from the U.S to undertake research at the University of Technology, Sydney, Australia and focus on building critical bilateral relationships between Australia and the U.S.

UTS invites applications for research programs in the following fields:

Data Science

- Social Robotics
- Computational intelligence and brain computing interface
- Forensic intelligence and interpretation of forensic evidence

Sustainability

- Climate change adaption- food security, governance, social systems and social change
- Global cities- including urban sustainability, policy, governance and stakeholder engagement
- Water and wastewater management and treatment
- Advanced algal biotechnology

Health

- Health economics and health services research

About the University of Technology, Sydney

Forward thinking and dynamic, the University of Technology Sydney (UTS) is a world-class research-intensive institution with a rapidly growing reputation for its research quality and impact across a wide range of fields.

In 2016, UTS was rated Australia's number one young university in both the Times Higher Education 'Top 150 under 50' and QS 'Top 50 Under 50' rankings schemes.

Visit their [website](#) to find out more about UTS or contact Louise Wheeler (+61 2 9514 1793), louise.wheeler@uts.edu.au from UTS to discuss project ideas.

I welcome the opportunity to discuss this with you further as any assistance in promoting this opportunity would be greatly appreciated.

This is Fulbright.

The Fulbright Program is the flagship foreign exchange scholarship program of the United States of America, aimed at increasing binational collaboration, cultural understanding, and the exchange of ideas.

Since its establishment, the Fulbright Program has grown to become the largest educational exchange program in the world, operating in over 160 countries. In its seventy-year history, more than 370,000 students, academics, and professionals have received Fulbright Scholarships to study, teach, or conduct research, and promote bilateral collaboration and cultural understanding.

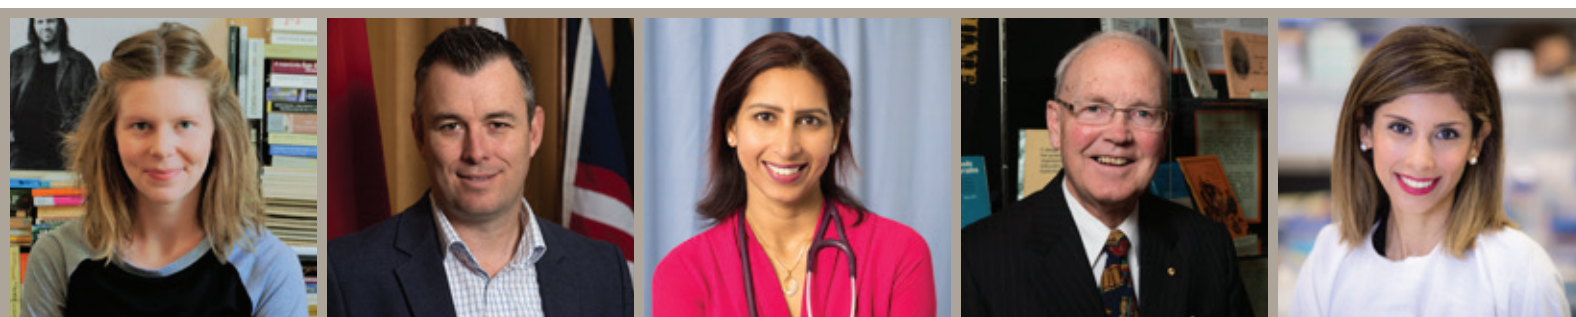

The Australian-American Fulbright Commission has awarded over 5,000 scholarships since its inception in 1949, creating a vibrant, dynamic, and interconnected network of Alumni.

Scholarship Opportunities

We offer scholarships to Australian and U.S. citizens across **all career stages** and in **any academic discipline**. Awardees take part in a bilateral academic and cultural exchange, pursuing research or study at an overseas institution, experiencing life and culture in a different country, and bringing back knowledge and experience to share with their home communities.

Scholarship Eligibility

Postgraduate	I wish to undertake a postgraduate program (e.g. a Master's). OR I am a PhD student wishing to conduct research.
Postdoctoral	I have recently completed my PhD and wish to undertake postdoctoral research.
Professional (Australian candidates only)	I am a mid-career professional in the private, public or not-for-profit sector wishing to undertake a training or research program. OR I am a mid-level academic whose proposed research has industry or professional links.
Senior	I am a senior-level academic (associate or full professor) wishing to undertake research.
Distinguished Chair	I am a full professor working in the relevant field wishing to undertake research.
