Food Safety and Nutrition Grantsmanship Webinar

Dr. Melvin Carter, Dr. Deirdra Chester, Dr. Jane Clary, Dr. Paul Cotton, Dr. Dawanna James-Holly, Dr. Mervalin Morant, and Dr. Jodi Williams will present a webinar titled “Food Safety and Nutrition Grantsmanship Webinar” from 3-4pm Eastern on 19 June 2017. The seminar can be viewed via Adobe Connect as well as in Room 2311 of the Waterfront Building, Washington, DC. This seminar has been approved by the Commission on Dietetic Registration for 1.0 Continuing Professional Education Unit (CEU).*

This seminar is part of the [Institute of Food Safety and Nutrition \(IFSN\)](#) Seminar Series. These monthly seminars aim to disseminate new knowledge; engage with partners and stakeholders; and inspire the next generation of food safety and nutrition experts. For full information on the series, visit the [seminar webpage](#).

Seminar Overview

As a result of attending this seminar participants will be able to:

- Discuss the differences between the Improving Food Safety, Improving Food Quality, Understanding Antimicrobial Resistance, and Function and Efficacy of Nutrients AFRI Foundational program areas.

- Prepare a proposal for one of the AFRI Foundational Food Safety, Nutrition, and Health Programs
- Think like a panelist when drafting and editing your proposal
