

# KANSAS STATE UNIVERSITY

## Center for Risk Management Education and Research

### Apply to be a CRMER Student Fellow

#### Student Fellows

- Participate in a three-semester, variable-credit seminar course
- Attend on campus guest lectures and workshops featuring risk management industry leaders
- Visit risk management company offices and headquarters around the country
- Complete an optional risk management internship
- Work with students, faculty, and industry partners on risk management research projects
- Network with CRMER industry partner executives
- Earn transcript notation documenting completion of the CRMER Student Fellowship program
- Receive a fellowship stipend of \$1000 per semester for a maximum of three semesters

#### Preferred Qualifications

- Display strong interest in risk management
- Willing to dedicate 5 or more hours per week on experiential risk management educational activities (occasional trips take a day or more)
- Be a junior or higher including graduate students with at least three semesters remaining in your academic program
- All majors are considered but emphasis is placed on students in the colleges of Agriculture, Business, and Engineering
- 3.5 and higher cumulative grade point average is encouraged
