Individuals are trained to become SafeZone allies who provide "safe zones" where individuals affected by homophobia, hateful acts, & sexual violence can safely go for support and assistance. By placing the SafeZone symbol on their office door, desk, or backpack, SafeZone allies signify that their space is a safe place to talk about issues which impact people who have been affected by any type of hateful or homophobic act, or who have been affected by sexual violence, sexual harassment, or any criminal or distressing situation.
