## Support the International Tap Association.

The ITA Serves over 1000 members in 28 countries, the International Tap Association, the world's only service organization for tap, provides a variety of benefits to its members who range from first time tappers and fans to the most extraordinary artists of our time (for example, ITA member Jimmy Slyde was awarded a Guggenheim Fellowship, Robert L. Reed Jr. just won the Sammy Davis Jr. Award, and Jason Samuels Smith just received an Emmy for Outstanding Choreography). ITA's founding honorary chairman was Honi Coles and honorary president was Gregory Hines. Membership benefits include access to grant funding, discounts, a clearing house, and the 64-68 page magazine, On Tap, the only worldwide magazine dedicated to tap, and much more. The ITA promotes the understanding, preservation, and development of tap dance as an art form. Our aims are to:

EDUCATE people about tap as an art form. ?

ENCOURAGE the creation of new tap performance venues and touring circuits.

PRESERVE the history of tap through archival documentation and research.

ESTABLISH support mechanisms and communication networks for tap.

UNITE tap dancers and enthusiasts around the world.
