WHEREAS,  Students at Kansas State University contribute large amounts of money to the city’s
economy through the payment of sales taxes and franchise fees generated by the sale of
items on the K-State campus;

WHEREAS,  The City/University Projects Fund was established to return these tax revenues to K-
State students in the form of projects that benefit both the city of Manhattan and
Kansas State University;

WHEREAS,  Students should continue to have an active voice in the usage of funds derived from
their sales tax dollars as they have since the fund’s creation;

WHEREAS,  President Jon Wefald has requested that Student Senate submit a prioritized list of
projects to be funded from the City/University Projects Fund in calendar year 2005;

WHEREAS,  Student Senate’s priority list has typically been the framework for the president’s

Projects Fund monies;

WHEREAS,  The Governmental Relations Committee has reviewed the administration’s suggestion to
use a portion of the available funds in CY2005 to begin the creation of a new
enrollment center in the east side of Memorial Stadium;

WHEREAS,  Combining the offices of Admissions, Financial Aid, the Registrar, and the Controller

2. The remaining cost of the project should be funded by a $2 million allocation, spread over a period of at least four years, from Kansas State University’s Repairs and Renovations Account.

SECTION 2. Since the anticipated annual revenue in the City/University Projects Fund is estimated to be $315,700 in calendar year 2005, the $55,700 remaining after the allocation of $260,000 for the new enrollment center shall be directed towards the following projects, listed in order of importance, as follows:
