WHEREAS, The Office of Student Activities and Services and the Privilege Fee Committee have satisfied the requirements set forth in Senate Resolution 01/02/24;

BE IT ENACTED THAT:

SECTION 1. KSU SGA Statute 37-04 is hereby amended to read:

OFFICE OF STUDENT ACTIVITIES AND SERVICES BUDGET AGREEMENT

This agreement made this _____ day of December, 2004, between the Kansas State University Student Governing Association (SENATE), and Kansas State University Office of Student Activities and Services (DEPARTMENT).

1. The annual DEPARTMENT privilege fee budget (BUDGET) shall be funded at the following amounts during the following Fiscal Years: $378,461 for July 1, 2005 through June 30, 2006; $388,693 for July 1, 2006 through June 30, 2007; and $399,343 for July 1, 2007 through June 30, 2008. The BUDGET will be reviewed prior to year 2008-2009.

2. Internal Auditing Services. The Kansas State University Student Governing Association will provide, through the Office of Student Activities and Services Privilege Fee, the amount of $18,000 annually to obtain auditing services from the Kansas State University Internal Audit Office. This amount will be set at the level of $18,000 per year for five years beginning with FY 2005 through FY 2009, at which time the amount and services will be reevaluated by the Privilege Fee Committee and Student Governing Association to determine if the service should continue or be eliminated.

The Kansas State University Internal Audit Office will dedicate approximately 1,000 hours per year to conducting audits on the specified Privilege Fee receiving agencies for that year. A Privilege Fee Agency will be defined as any agency that directly receives funding from any campus privilege fee. The audits will be set on a standard routine schedule and determined by the Privilege Fee Committee in conjunction with the Vice President of Administration and Finance and the
Director of the Office of Internal Audit. The order of audits will be determined prior to the beginning of the next fiscal year.

The Kansas State University Office of Internal Audit will utilize the same practices and processes to audit Privilege Fee Agencies as it would for any other university department or organization. These audits will assess the soundness, adequacy, and application of accounting, financial, and other operating controls; determine adherence to Federal, State, University, and Kansas State University Student Governing Association policies and procedures; assess compliance with applicable law, regulations, and generally accepted accounting principles; ascertain whether program results are consistent with established objectives; ascertain the adequacy of controls for safeguarding University and Student Governing Association assets and funds from losses of all kinds; and assist in the improvement of University operations by making constructive suggestions and recommendations. In accordance with University policy, the Internal Audit Office shall submit a working draft to the Privilege Fee agency. The agency will have an opportunity to respond to any recommendations of the Internal Audit. In accordance with University procedure, upon completion of the report it will be made available to the Kansas Board of Regents, the appropriate University officials, the Privilege Fee Committee, and the Kansas State University Student Governing Association.

3. SafeRide Program. The Kansas State University Student Governing Association will provide, through the Office of Student Activities and Services Privilege Fee, the amount of $68,243 annually for a SafeRide Program.

4. This agreement supersedes any previous agreement made by Kansas State University Student Senate and/or Kansas State University Student Governing Association with the Kansas State University Office of Student Activities and Services regarding funding of budgets and use of such funding.

5. Any breach of this agreement by the DEPARTMENT will result in automatic review by Kansas State University Student senate, and such review could result in decrease or termination of funding of the BUDGET. The failure of SENATE to exercise any of its rights in any instance shall not constitute a waiver of such rights in that instance or in any other instance.

6. Within 60 days of the end of each fiscal year, the Director of the DEPARTMENT shall submit a written summary of BUDGET expenditures to the Privilege Fee Chair for review by the entire Senate body.

7. No construction of or renovation of a building or facility at KSU is permitted with privilege fees unless the fee was established by a binding referendum vote of the student body. (SGA Constitution Article V Section 510 Letter D and Article XI Section 1105).

   a. Construction shall be defined as capital outlay costs to construct new buildings or facilities or make additions onto an existing building or facility.
b. Renovation shall be defined as any capital outlay costs used to make modifications to existing building or facilities. Examples of uses of these funds include major replacements (over $30,000), building additions, facility betterments, and improvements which occur infrequently.

8. This agreement shall be governed by and subject to the laws of the state of Kansas.

9. By signing this agreement, the representatives of the respective parties hereby represent that each is duly authorized by his or her party to execute this document on behalf of such party and that the party agrees to be bound by the provisions of the agreement.

10. Bill 04/05/42 becomes effective upon execution of this agreement by the Privilege Fee Chair, the Coordinator of Student Activities and Services, the Student Senate Chair, the Vice President for Institutional Advancement, the Vice President for Administration and Finance, and the Student Body President.

BILL TO PLACE THE QUESTION OF A CENTER FOR STUDENT ACTIVITIES IN A STUDENT REFERENDUM

BY: Jason Heaser, Vicki Conner, Nacole Boan, Brandon Sager, Hayley Urkevich, Erik Ankrom, Josh Criwell, Kara Wilder, Anthony Carter, Lydia Peele, Jenna Kennedy, Dan Sobek, Eleri Griffin, and Tyson Moore

WHEREAS, Significant interest has been shown in constructing a Center for Student Activities as an expansion to the Kansas State Student Union;

WHEREAS, The University-wide Center for Student Activities committee has developed a $6.5 million project proposal, with $4.5 million coming from reallocated student fee monies and $2 million from private funds raised by the Administration. Of the latter $2 million, half has been pledged by the Dean of Student Life and half has been pledged by the Associate Provost for Diversity and Dual Career Development;

WHEREAS, Article V, Section 510. C. of the Kansas State University Student Governing Association Constitution requires a referendum vote for the reallocation of student fees for the construction of a building or facility; and

WHEREAS, Article XI, Section 1103 – 1106 of the KSU SGA Constitution outlines the procedure for establishing and conducting a referendum.

BE IT ENACTED THAT:

SECTION 1. KSU SGA authorizes the holding of a binding referendum vote on the following question:

“The Hale Library expansion student fee was approved by student referendum in 1993. This referendum created a $10.27 per semester allocation from student fees to pay for the bonds used in the expansion of Hale Library. These bonds will be paid in full in fall 2006. Still, the $10.27 per semester student fee is scheduled to continue until the year 2015, regardless of the outcome of a referendum.

This referendum would reallocate the $10.27 per semester student fee after the complete payment of the bonds for the Hale Library addition, and place those monies toward the construction of a Center for Student Activities to be built onto the east side of the Kansas State Student Union.”

Are you in favor of extending the current $10.27 per semester Student Referendum Bond for a maximum of 20 years (no increase in student fees) for use in the construction of a Center for Student Activities?
SECTION 2. If the total $2 million in private funds pledged by the Administration has not been raised by spring 2006, any monies collected shall be applied to the Center for Student Activities project, in addition to the $4.5 million generated from the Hale Library bond reallocation. Fundraising efforts shall continue until the full $2 million goal is achieved.

SECTION 3. This student referendum shall be held on April 26, 2005. The electronic polling shall be in accordance with KSU SGA election regulations.

SECTION 4. In accordance with the KSU SGA Constitution, an affirmative vote outcome of 60% or more shall be required for the referendum to be adopted. If the necessary affirmative outcome is not met, this referendum shall be considered rejected.

THIS BILL PASSED STUDENT SENATE ON APRIL 14, 2005 WITH A ROLL-CALL VOTE OF 43-0-0.
SUMMARY:

Section 13 of the By-Laws require that the Judicial Code be reviewed each academic year ending in a five or zero. The Judicial Code Revision Committee was assembled and began meeting in October 2004. This bill is a reflection of that committee’s recommended changes. Numerous changes to improve grammar, fluency, clarity, and consistency appear throughout. Explanations of substantive changes are as follows:

1.) **Article VI, Section 1.B.**
   Adds “appellant” to the list of definitions, due to the re-naming of parties involved in the appeals process. The old terminology (complainant and respondent) was unclear and confusing. What was assumedly intended was for the complainant to be same person who served as the complainant in the primary hearing, and likewise for the respondent. For clarification in appeal hearings, the person appealing shall be referred to as the “appellant”, and the person responding to the appeal shall be the “respondent”.

2.) **Article VI, Section 1.E.**
   Throughout the Judicial Code, all Housing and Dining Services policies have been condensed into one term, “Housing Policy”, which is also reflected in the addition of the definition, “Housing Policy” (#4)

3.) **Article VI, Section 1.G.**
   The Dean of Student Life is responsible for the administration of the entire campus judicial program, not the Judicial Code alone.

4.) **Article VI, Section 1.K.**
   Addition of a definition for “Housing Policy” (see change #2).

5.) **Article VI, Section 2.B.**
   Specifies that all sexual, racial, and ethnic harassment complaints should be submitted to the Office of Student Life, rather than the Dean of Student Life Office.

6.) **Article VI, Section 5.A.2.**
   Officially makes it a duty of the Attorney General to appoint judicial board members, in consultation with the Student Body President, when no other appointment process is provided, pursuant to SGA Constitution Section 601.E.1.

7.) **Article VI, Section 5.C.3.**
   Officially makes it a duty of Student Tribunal to hear appeals of decisions made by the SGA Elections Commissioner, pursuant to the recently revised Elections Regulation Code.

8.) **Article VI, Section 5.C.7.**
   Officially makes it a duty of the Student Tribunal to hear appeals of parking privilege revocations issued by Parking Services, pursuant to the
rules of Parking Services which designates such as the process for appeal.

9.) **Article VI, Section 5.E.2.**

Officially makes it a duty of the Student Review Board to hear all noncompliance complaints, where the respondent has not fulfilled their sanctions assigned by a previous judicial board.

10.) **Article VI, Section 5.H.2.**

Requires the Executive Council to meet only once, as opposed to three times, each semester.

11.) **Article VI, Section 5.H.3.**

Establishes the membership of the Executive Council.

12.) **Article VI, Section 6.B.2.**

Requires persons wishing to file a complaint to file within the standard required amount of time, regardless any involvement in a mediation process. This change was made because an initial complaint is required to enter into the mediation process described in the Judicial Code, therefore eliminating any need for a time extension.

13.) **Article VI, Section 6.D.1.b.i.**

Designates that Student Review Board, not Judicial Council, will hear any cases where a conflict of interest allegedly occurred within an education conference. This change was made due to the fact that the duties of Judicial Council, as established by this Code, do not include adjudicating cases. Judicial Council exists to perform educational, promotional, and administrative functions.

14.) **Article VI, Section 6.D.3.b.**

Clarifies the language such that the scheduling of judicial hearings is done within 10 class days—not that the actual hearing will be scheduled for a date within 10 class days (a source of much confusion for complainants and respondents). Also establishes no specific time frame within which complaints must absolutely be heard. It only specifies that they shall be heard in the most expedient manner possible, and that the Dean of Student Life or designee (the Judicial Advisor) is the “check” on that scheduling authority of the Attorney General.

15.) **Article VI, Section 7.A.2.**

This change is in regard to open and closed sessions, taking into account the KS Open Meetings Act. (Change recommended by the University Attorney’s Office.)

16.) **Article VI, Section 7.A.12.iii.**

Borrows language from elsewhere in the Judicial Code, notifying respondents of their right to avoid self-incrimination, and that a refusal to testify will not serve as any evidence of guilt.

17.) **Article VI, Section 7.A.12.ix.**

Makes clear that the Chair votes only in the event of a tie.

18.) **Article VI, Section 9.B.4.**

Complainants who wish to appeal need an additional ground for appeal which would allow them to question a sanction in a judicial proceeding. The current language is too limiting as to grounds. (Change recommended
by the University Attorney’s Office.)

19.) **Article VI, Section 9.G.**

Changes made similar to those in #14, allowing filing deadlines for the appeals process to parallel those of the primary hearing process.

20.) **Article VI, Section 9.I.5.**

Officially allows the primary hearing board to submit information (more detailed rationale for their decision) in an appeal case. This has been a general practice, but was not explicitly permissible under the current Code.

21.) **Article VI, Section 9.J.**

For appeal cases where a quorum is not available, such case can be postponed up to 10 days—an increase from the current three-day postponement extension.

22.) **Article VI, Section 9.M.**

Changes made similar to those in #15, reflecting open meetings requirements for the appeals process to be consistent with the primary hearing process.

23.) **Article VI, Section 9.N.4.**

Extends the appeal hearing postponement from seven days to ten days, in cases where additional testimony is needed. The length of time was chosen in order to be consistent with the postponement deadline extended in #21.

24.) **Article VI, Section 9.N.4.c.**

Borrows language regarding having an attorney as an advisor, from the primary hearing portion of the Judicial Code, and applies it to appeal hearings.

25.) **Article VI, Section 9.O.**

The same information appears later in Section 9.Q., so it was stricken here.

26.) **Article VI, Section 9.O.2.**

Change made similar to that in #16, regarding self-incrimination.

27.) **Article VI, Section 9.P.**

This allows the respondent to exercise his/her right to appeal without risking a harsher sanction; but it still allows the complainant to seek a harsher sanction, in accordance with Section 9.B.4. (Change recommended by the University Attorney’s Office.)

28.) **Article VI, Section 13.B.1.e.**

Adds the Residence Life Assistant Attorney General (position created last year) to the Judicial Code Revision Committee.

29.) **Article VI, Section 13.B.2.**

Expands and clarifies the duties of the Judicial Code Revision Committee.

**BE IT ENACTED THAT:**

**SECTION 1.** Article VI of the KSU SGA By-Laws be amended to reflect the following changes and be renumbered accordingly:

**ARTICLE VI**

WHEREAS, The visitation policy’s mission is to enhance communication between Student Senate and all Registered Student Organizations;

WHEREAS, In the past the Student Senate visitation policy has been ineffective at reaching its goal;

WHEREAS, A new approach must be taken to facilitate communication from Student Senate to its constituents; and

WHEREAS, The Student Affairs and Social Services committee, in consultation with the Senate Vice Chair, developed a comprehensive visitation policy aimed at more effective communication with registered student organizations.

BE IT RESOLVED THAT:

SECTION 1. The Kansas State University Student Governing Association shall adopt the following trial policy for the remainder of the 2004-2005 legislative term:

2004-2005 Trial Visitation Policy

The Student Senate Vice Chair will match each Student Senator with up to three registered student organizations and notify that Senator of his or her responsibilities. This notification will include the registered student organizations the Senator is assigned to and contact information related to each organization.

Student Senators shall:

BY: Governmental Relations, David McCandless, Sarah Laib, Anthony Garcia, Trent Smith, Ben Procter, Sally Maddock, Jason Heaser, Jason Garden, Ben Fenwick, Russell Thompson, Jen Mosier, Albert Pearce, Jacinda Mein, Joe Vossen, Annie Dwyer, and Mary Fox

WHEREAS, The state of Kansas has a long and distinguished history of tolerance and progressive action on issues ranging from slavery to civil rights, consistently proving ourselves as leaders in the quest for equality on the national and world stage;

WHEREAS, SCR 1601, a proposed Constitutional amendment regarding marriage, passed both chambers of the legislature and has been placed on the ballot for the April 5, 2005, municipal elections;

WHEREAS, This proposed amendment violates Kansas State University’s Principles of Community statement, would prevent Kansas State University from offering domestic partner benefits to our employees as long as the amendment remains in the Constitution, and would contribute to an environment where persons who work in the state of Kansas may be fired or otherwise discriminated against because of their sexual orientation;

WHEREAS, Similar amendments in other states have had inadvertent and disastrous effects, even for those not targeted by the amendment, including:

In Ohio, unmarried heterosexual couples are having problems exercising medical powers of attorney. The Ohio amendment has been interpreted to bar any unrelated person from having medical power of attorney for another ('Marriage Amendment's Impact Felt Around Ohio', Connie Cartmell, Marietta Times, OH, Dec. 18, 2004);

WHEREAS, Kansas State University Student Governing Association cannot assume Kansas State University students, faculty, or staff will be immune to such ramifications;

- Vice Chair Moore asked that any senators who have not turned in their goals yet to please do so.

Senator Muir moved to have the contents of Senator Boldt’s letter to the editor of the Collegian expressed in the minutes. Moore moves unanimous consent. Motion carries. Letter reads as follows:

Editor,

As a student senator and minority, Wednesday’s article about SGA’s unequal representation was troubling to me. I don’t wish to criticize the author but I’d like to address the truth regarding Senate and its diversity. I’m not claiming that we’re perfect and I don’t contest to the fact that on the surface, we look like a homogenous body. However, after further inspection, it’s easy to see we’re a very diverse group.

Each member is unique, despite similarities in race, socioeconomic status, or participation in Greek organizations. Diversity isn’t simply outward appearances or lifestyles, but is composed of all facets of life that make us individual.

Also, SGA continually strives to physically represent every person on campus. This year Senate’s eight graduate positions were filled, and in this group alone there are two individuals from other countries, three married students, and a student with a child. We ask that if any person feels they aren’t being properly represented, please come and voice your concerns. Our goal is to represent each individual but we need everyone’s help to make positive change.

Lastly, I desire to discuss the ability of a true leader, and even beyond that, of a good person. A person of character and integrity focuses on issues and people beyond their social circle and beyond their own personal beliefs and opinions. I challenge K-State students to look past their limitations and strive to be a supporter of those unlike themselves. Everyone is different and this simple fact should be embraced.

Ashley Boldt
Sophomore in Nutrition and Exercise Science
• Senator Crow expressed her interest in the diversity of K-State and others not involved with SGA. She also expressed that she hopes no one takes Barbara Meyer’s article against the Collegian personally.

• Senate Chair Griffin expressed her feelings of distaste about Barbara Meyer’s article about SGA. She made sure that everyone would conduct themselves in a representative manor in and outside of school in order to prove those who doubt wrong.

• Senator Muir expressed his views about Barbara Meyer’s article in the Collegian. He reminded the body that columnist get paid by the number of articles they write and not the research they put into each.
