WHEREAS, The Office of Student Activities and Services coordinators, along with the SGA
Treasurer and the Privilege Fee Chair, recommend that the following changes be made to
the statutes for funding regulations.

A. Definitions
1. For the purpose of the Funding Statutes, the following definition shall apply:
a. Fine Arts Student Organization. A Student Organization whose purposes
are related to the arts.
B. Universal Requirements
1. In order to request funds from the Fine Arts Fee, an organization must fulfill
each of the following requirements:
a. The organization must be a student group currently registered with the
Office of Student Activities and Services.
b. The organization must submit to the SGA Treasurer a statement of the
fundraising activities of the organization over the past year, including the
specific events and the amounts raised. This statement must be submitted with the organization's funding requests on the Fund Raising Report form available in the Office of Student Activities and Services.

c. The organization must be registered for forty-five (45) days prior to the date of the event to receive Student Activity Fee funds.

d. The organization may not receive funds while on probation as designated by the Activities Director.

e. Student Activity Fee funds shall not be allocated to projects for the purposes of promoting or opposing a particular political candidate, political or social issue, or religion.

2. Differentiation of Projects. In the case that an organization is submitting multiple requests, each project for which funding is to be requested must be distinct and independent, and must be related to the goals of the organization itself.

3. Fund Raising. All groups should make a reasonable effort to raise funds, either through dues or other events. While not a requirement for funding, the Allocations Committee may reject funding for any requested materials which would commonly be paid for by fund raising at its discretion.

C. General Criteria

1. Open Projects. All projects sponsored by Fine Arts Student Organizations with student fee funds must show an educational benefit to the students of the University, must be open to all students of the University, and must be free to all students of the University. Such projects must also be held on the University campus or within the Manhattan community.

D. Request Process

1. Requests. Requests for funding of projects from the Fine Arts Council Fee may be made by Fine Arts Student Organizations fulfilling the requirements of 17-0102 through the completion and submission of a funding request form, available in the Office of Student Activities and Services. A separate funding request form must be submitted for each project the organization wishes to hold, up to a maximum of five projects annually.

2. The funding request form must be completed in accordance with the form's instructions. Funds requested for a project must be divided into separate categories, outlined below. Each category must have a detailed description of the items requested and an estimate of the cost of each item.

for travel expenses. A student may receive up to a maximum of $100 (in a

travel funds. This means that a student may receive the maximum $100
for one group but can still qualify for another $100 with another
organization that they are a part of. Travel shall be funded at the rate
applicable to reimbursement for expenditures made by individuals
traveling for the State of Kansas. Fine Arts Student Organizations may

limitations on funding, listed below.

15th must be turned in by November 1st. All requests for any event to be held

COUNCIL CONSTITUTIONAL CHANGES

BY: Tyson Moore

WHEREAS, The K-State Honor System was created in the fall of 1999;

WHEREAS, The Honor System Honor Council is an organization of students and faculty who seek to preserve the integrity of the Honor Pledge at Kansas State University. It aims to secure justice for any student under suspicion of dishonesty, to vindicate his or her name if innocent and, if responsible, to protect the honor and standing of the remaining students by imposing the appropriate sanction as set forth in the By-Laws. It proposes to do this in accordance with the procedures, rules, and organization hereinafter set forth;

WHEREAS, Last year, the Honor Council voted and approved constitutional changes that provide students the right to contest allegations of Honor Pledge violations and to have the allegations investigated and adjudicated according to established Honor System procedures;

WHEREAS, The constitutional amendment also aids in tracking repeat Honor Pledge violators, protects faculty from legal redress by following established academic procedures, and helps promote academic integrity which helps students grow ethically; and

WHEREAS, According to the Honor Council Constitution, all constitutional amendments by the Honor Council are subject to Student Senate approval.

BE IT RESOLVED THAT:

SECTION 1. The Kansas State University Student Governing Association hereby approves the following constitutional amendment proposed by the K-State Honor System Honor Council:

Article I. #2 of the Honor System Constitution: In order to provide students the right to address allegations of academic dishonesty, all members of the academic community, both students and faculty are urged to report violations of the Honor Pledge to the office of the Honor System. Violations that result in an academic sanction being imposed must be reported. An academic sanction is any action that would lower a student’s grade on an assignment or for the course.

An Honor Pledge violation must be reported when:

a. A faculty member alleges a violation and imposes an academic sanction.

b. A faculty member alleges a violation and requests an investigation and hearing.
c. A student or faculty member suspects an Honor Pledge violation and requests an investigation. The case investigation concludes once a decision has been made whether there is sufficient information to proceed to the adjudication stage.

An Honor Pledge violation may not need to be reported when:

a. A faculty member alleges a violation and issues a warning but imposes no academic sanction.

b. A faculty member alleges a violation, issues a warning and provides the student an opportunity to correct the transgression, but imposes no academic sanction.

c. A faculty member alleges a violation, issues a warning and provides an opportunity for the student to redo the assignment or exam, but imposes no academic sanction.

SECTION 2. Upon passage by the Student Senate and signature of the Student Body President, a copy of this resolution shall be sent to Provost Duane Nellis, Faculty Senate President Tom Herald, Honor System Director David Allen, Honor System Associate Director Helene Marcoux, and Honor System Director Emeritus Phil Anderson.

RESOLUTION OPPOSING A TAXPAYER’S BILL OF RIGHTS

BY: Michael Burns, Grant Groene, Tyson Moore, Emily Besler, Matt King, Kevin Phillips, Annie Dwyer, Ben Trenary, Jennifer Mosier, Jenny Gwaltney, Melissa Hillebrand, Larry Fadler, Josh McGinn, Zach Oswald, Zane Unrau, Trent Scott, Chase Higgins, Nacole Boan, Melissa Hildebrand, Daniel Nibarger, Alejandro Suñé, Brandon Sager, William Lopez, Bryan Cox, Taylor Symons, Kyle Lawrence, Gavin Couvelha, Jamie Ball, Kelly Stout, Katie Beye, Clint Blaes, Jason Topp, Taylor Symons, Ashley Boldt, Phil White, Emily Schmeidler, Nick Piper, Dave Hart, Monica Lair, Keaton Brewer, Amy Schultz, Tim Weninger, Nick Levendofsky, Kyle Wilk, Lydia Peele, Corey Fortin, Pat Rinearson, Stacy Mayo, Mary Fox, Kim O’Conner, Amanda Thompson, Shelby Dederick, Molly Hamm, Matt Wagner, Matt Woodward, Shiloh Dutton, Tim Lindemuth, Adam Noll and Ian Stinson

WHEREAS, The Kansas State Student Governing Association proudly supports the State of Kansas’ strong tradition of making public higher education obtainable to all its citizens, regardless of income, and that access to affordable high quality educational opportunities is increasingly necessary for Kansans to succeed in today’s ever-changing and competitive global economic environment;

WHEREAS, The Kansas State Student Governing Association is aware of the damage inflicted upon vital public services in the State of Colorado; in particular, the harm to that state’s higher education system that has occurred since it adopted a constitutional revenue and expenditure limitation, known as the Taxpayer’s Bill of Rights (TABOR), in 1992;

WHEREAS, Colorado’s problems demonstrate how constitutional or statutory revenue and expenditure limitations jeopardize access to higher education by severely reducing student financial aid while causing higher education institutions to dramatically raise tuition costs, thus pricing many low and middle-income students out of a college degree;

WHEREAS, Constitutional or statutory limits on state revenues and expenditures would severely restrict the state’s ability to invest in vital public services, such as higher education, which are critical to the state’s economic growth and well-being;

WHEREAS, If TABOR was approved in the state of Kansas in 1993, higher education spending would have been reduced by $76 million. To compensate for the reduction in the budget, higher education institutions would have increased tuition $1,400 per year, fired 1,200 faculty from the higher education system, or cut K-State Research and Extension funding in half; and

WHEREAS, The overall quality of education and instruction would be severely diminished at every Regents’ institution if TABOR was enacted in the state of Kansas.

BE IT RESOLVED THAT:
SECTION 1. The Kansas State University Student Governing Association strongly opposes enactment of a Taxpayer’s Bill of Rights (TABOR) or other legislation limiting constitutional or statutory revenues and expenditures that restrict the state’s ability to invest in higher education and other vital public services.

SECTION 2. Upon passage by the Student Senate and signature of the Student Body President, a copy of this resolution will be sent to: President Jon Wefald, Assistant to the President Susan Peterson, Provost Duane Nellis, Vice President for Institutional Advancement Bob Krause, Vice President for Administration and Finance Tom Rawson, Dean of Student Life Pat Bosco, Faculty Senate President Tom Herald, Alumni Association President Amy Renz, Chair of the Board of Regents Donna Shank, CEO and President of the Board of Regents Reggie Robinson, other members of the Kansas Board of Regents, Governor Kathleen Sebelius, Lieutenant Governor John Moore, Senate President Steve Morris, Senate Vice President John Vratil, Senate Majority Leader Derek Schmidt, Senate Minority Leader Anthony Hensley, Senate Minority Whip Chris Steineger, Speaker of the House Doug Mays, Speaker Pro Tem Ray Merrick, House Majority Leader Clay Aurand, House Majority Whip Steven Brunk, House Minority Leader Dennis McKinney, Assistant House Minority Leader Eber Phelps, House Education Committee Chairperson Kathe Decker, House Education Committee Vice Chairperson Deena Horst, Senate Education Committee Chairperson Jean Schodorf, Senate Education Committee Ranking Minority Member Janis Lee, other members of the Kansas Legislature, City of Manhattan Chamber of Commerce President Lyle Butler, Editors-in-Chief of the Kansas City Star, the Topeka Capital-Journal, the Wichita Eagle, the Hutchinson News, the Manhattan Mercury, the Salina Journal, the Hays Daily News, the Dodge City Daily Globe, the Colby Free Press, and the K-State Collegian.
