shall submit a written summary of BUDGET expenditures to the Privilege Fee
Chair for review by the entire Senate body.

30-0103 Campus Fee Groups that are up for review in that year will be requested to submit their budget request in accordance with KSU SGA Statutes 30-05.

30-0104 The Privilege Fee Committee will consider each budget request and make a recommendation to Student Senate.

30-0105 After all budgets are approved by Student Senate, the Privilege Fee Chair will work with University Administration to discuss the statistical modeling of various ways of arriving at the projected needed income (i.e. adjustments in linear rate or flat rate).

30-0106 In the fall, all additional revenues which accrue because of additional credit hour production beyond the base used for projection will be deposited in either the Campus Fee Adjustment Account or the Campus Fee Reserves Account subject to the provisions of KSU SGA Statutes 30-0110.

30-0107 Two weeks after the spring twentieth-day enrollment figures are released, Campus Fee Areas not up for review, may request a usage budget adjustment from the Privilege Fee Committee. The Privilege Fee Committee will make recommendations to Student Senate which could approve the budget adjustment with a 2/3 vote.

30-0108 Requests for unforeseen budget adjustments (equipment failure, unexpected increases in costs, etc.) can be made to the Privilege Fee Committee as needed throughout the academic year.

30-0109 In the spring, those Campus Privilege Budgets up for review can either remain constant, decrease, increase, and/or be adjusted with a supplemental budget enhancement in lieu of a base budget increase.

30-02 Campus Fee Accounts

30-0201 A. Additional revenues which accrue because of additional credit hour production beyond the base used for projections will be deposited in the Campus Privilege Fee Debt Reduction and Emergency Allocation Account.

30-0202 B. The Debt Reduction and Emergency Allocation Account shall maintain a 5.0% base level of the total Campus Privilege Fee base budget. The only reason the 5.0% can be allocated is in the case of a financial shortfall due to an enrollment decrease.
C. Withdrawals from the Campus Privilege Fee Debt Reduction and Emergency Allocation Account shall only be made for payments towards outstanding debt on student bonds, for one-time emergency funding allocations, and for allocations to privilege fee agencies due to a financial shortfall due to an enrollment decrease.

D. Definition: An emergency allocation shall be a one time allocation given when all the following criteria are met:

1. The privilege fee agency has exhausted all other means of outside funding; and

maintain an account, separate and distinct from any other agency funds, for the

RESOLUTION IN SUPPORT OF THE
SPECIAL COMMITTEE TO STUDY
LONG-TERM TUITION STRATEGIES
PROPOSAL

BY: Matt Wagner and Nick Piper

WHEREAS, Bill 07/08/09 created the Student Senate Special Committee to Study Long-Term Tuition Strategies;

WHEREAS, The Committee consisting of administration, faculty and students, met throughout the fall and spring semesters to discuss and revise the current five-year tuition plan after its beginning in FY 2008;

WHEREAS, The Committee identified three areas that should be revised from the prior plan to follow current trends and climate regarding tuition rates across the state;

WHEREAS, The first area is to change the current tuition model to a differential model of tuition, allowing those taking lower level courses to pay a reduced rate from the 300 level and above courses;

WHEREAS, The second factor states that college specific fees should not be discontinued, unlike the prior plan, and should be allowed to increase based on the current Committee’s philosophy of Higher Education Price Index adjustments and specific needs, as identified by the Committee;

WHEREAS, The third component that deems modification is the current list of funding initiatives. Three new initiatives were brought before the Committee for consideration. Those initiatives are: (1) Scholarships (Financial Aid), (2) Healthy Decisions, and (3) Sustainability Projects. The Committee believes in funding both Scholarships and Sustainability Projects, as Healthy Decisions received funding through Student-Centered Tuition Enhancement dollars; and

WHEREAS, The Committee met routinely and with due diligence to keep the cost of education affordable for all citizens and students, while also understanding that there are some additional inflationary cost associated with providing academic excellence.

BE IT RESOLVED THAT:

SECTION 1 The Kansas State University Student Governing Association supports the five-year tuition proposal changes as drafted by the 2007-2008 Student Senate Special Committee to Study Long-Term Tuition Strategies.
