BE IT ENACTED THAT:

SECTION 1. Chapter 30 of the Kansas State University Student Governing Association Statutes is amended to read as follows:

30-01 Privilege Fee Funding System

30-0101 Revenue Projections for Privilege Fees

The revenue projection for Privilege Fee Budgets will be based upon the total number of credit hours generated during the summer session, fall semester and spring semester of the year most immediately prior to the year for which the privilege fee budget is being established or reviewed (e.g. the base for campus privilege fee projections for the 1996-1997 academic year – FY97 – will be the total credit hours generated from main campus and Vet Med in the summer session 1995, fall semester 1995 and spring semester 1996.)

30-0102 Privilege Fee Budgets

Budgets will be established for each Privilege Fee agency as follows:

A. Budgets for Board of Regent mandated fees and fees which support debt financing will be equal to the actual collection of revenues. Privilege Fees currently included in this category are Educational Opportunity Fund, Recreational Complex Debt Retirement, Recreational Complex Operations, Recreational Complex Expansion Debt Retirement, Library Expansion, and K-State Student Union Enhancement.

B. The remaining Privilege Fee agencies currently include Student Health, University Counseling Services, Fine Arts, University Bands, Student Publications Inc., Athletics, Bramlage Repair and Replacement, K-State Student Union Operations, K-State Student Union Repair and Replacement, K-State Student Union Repair and Replacement Reserve, Union Program Council, Office of Student Activities and Services, Student Activity Fee, Recreational Services, Recreational Complex Repair and Replacement, Sports Club Activity Fee, KDSB Operations, and KSDB Repair and Replacement.

30-0103 Privilege Fee agencies that are scheduled for review in that year will be requested to submit their budget request in accordance with KSU SGA Statutes 30-05.

30-0104 The Privilege Fee Committee will consider each budget request and make a recommendation to Student Senate.

30-0105 After all budgets are approved by Student Senate, the Privilege Fee Chair will work with University Administration to discuss the adjustments necessary to meet the approved allocations.
based on projected enrollment figures. These adjustments are to maintain a close approximation to the proportionality of the current capped linear fee structure.

Two weeks after the spring twentieth-day enrollment figures are released, Privilege Fee agencies not scheduled review may request a usage budget adjustment from the Privilege Fee Committee. The Privilege Fee Committee will make recommendations to Student Senate which can approve the budget adjustment by a two-thirds vote of those selected and qualified.

Requests for unforeseen budget adjustments (equipment failure, unexpected increases in costs, etc.) can be made to the Privilege Fee Committee as needed throughout the academic year according to the provisions of KSU SGA Statutes 30-02.

The Privilege Fee agencies due for review can either remain constant, decrease, increase, and/or be adjusted with a supplemental budget enhancement in lieu of a base budget increase.

**30-02 Privilege Fee Accounts**

Additional revenues which accrue because of additional credit hour production beyond the base used for projections will be deposited in the Privilege Fee Debt Reduction and Emergency Allocation Account.

The Debt Reduction and Emergency Allocation Account shall maintain a 5.0% base level of the total Privilege Fee base budget. The only reason the 5.0% can be allocated is in the case of a financial shortfall due to an enrollment decrease.

Withdrawals from the Privilege Fee Debt Reduction and Emergency Allocation Account shall only be made for payments towards outstanding debt on student bonds, for one-time emergency funding allocations, and to meet approved allocations to privilege fee agencies due to a financial shortfall from lower than projected enrollment.

Definition: An emergency allocation shall be a one time allocation given when all the following criteria are met:

A. The privilege fee agency has exhausted all other means of outside funding; and

B. The privilege fee agency has reduced expenditures and cannot further reduce expenditures; and

C. The emergency situation has severely hampered the current operations of the privilege fee agency.

Withdrawals from the Privilege Fee Debt Reduction and Emergency Allocation Account shall only be made by a two-thirds vote of Student Senate selected and qualified.

**30-03 Privilege Fee Review Schedule**

Privilege Fee agencies shall be reviewed on a three-year cycle as follows, with the cycle to begin with Year A in the 2008-2009 Academic Year. Privilege Fee agencies may be reviewed out of their regular cycle in accordance with the KSU SGA Bylaws.

**Year A**

- Student Health
- University Counseling Services
- Fine Arts
- Student Publications Inc.

**Year B**

- K-State Athletics
30-04  Internal Audit Schedule

Each Privilege Fee agency shall be audited in the Academic Year prior to its regular review.

Upon completion of each audit, a copy of the final audit report shall be provided to the Privilege Fee Committee Chair.

A. A justification of its fee and the benefits to the student body
B. The request and justification for the level of its fee
C. Any alternative methods of increasing revenue
D. Any additional information requested by the Privilege Fee Committee
E. A copy of the agency’s annual report for the previous year

Tier 1 is a three (3) percent funding increase, and should delineate additional services or service enhancements that would be provided for this increased funding level. Tier 2 is a continuance of funding and should specify its effects on current operations and services offered. Tier 3 is a three (3) percent funding reduction, and should delineate effects on current services and operations.

Representation from the agency’s Student Board, detailed in KSU SGA Statutes 30-07, shall be in attendance during the Privilege Fee Committee’s review.

The Privilege Fee Committee Chair shall notify the Privilege Fee agency directors of these requirements prior to each agency’s review.

30-06  Privilege Fees for Building Bonds Procedures

(SGA Constitution Article V Section 510 Letter C and Article XI Section 1105).

A special committee of SGA shall be set up to review and make recommendations on any request
for use of funds for above stated purposes before the request can be forwarded and considered by
Student Senate. The committee shall be composed of students of the department/college
involved, (professional) planning and design personnel, both student and faculty, and other
interested persons.

30-0603 The following shall be used as some of the criteria to judge whether the requested facility should
use student funds:
   A. Department or college need
   B. Impact of a fee increase on the student fees
   C. Long range goals
   D. Design and aesthetic value and contribution on the campus.

30-0604 Provisions shall also be made for definite continuous student participation in decisions regarding
the use and policies of the building (boards of governors).

and distinct from any other agency funds, for the receipt and expenditure of such student privilege
fees. Any funds earned and/or reimbursements from the expenditures from such privilege fees are
to be deposited into the same agencies privilege fee account. No privilege fee funds shall be
transferred to any other agency without SGA written approval.

AMENDMENTS TO CHAPTER 49
OF THE KANSAS STATE UNIVERSITY
STUDENT GOVERNING ASSOCIATION STATUTES

BY: Privilege Fee Committee and Kyle Reynolds

WHEREAS, Chapter 49 of the KSU SGA Statutes is the Union Program Council Privilege Fee agreement and – along with the Privilege Fee Funding Guidelines of KSU SGA Statutes’ Chapter 30 – provides regulations to govern the administration and spending of those funds;

WHEREAS, Bill 09/10/60, which passed by a vote of 49-1-1, created additional stipulations that took effect on July 1, 2010 to clarify the wording in Chapter 30, Section 9 of the KSU SGA Statutes – which regulates the separation of Privilege Fee accounts from any other agency funds – by adding the following wording: Any funds earned and/or reimbursements from the expenditures from such privilege fees are to be deposited into the same agencies student privilege fee account;

WHEREAS, The process that was discontinued at the end of fiscal year 2010 consisted of a combined UPC/Union Operations account where UPC self-generated surpluses or deficits could be absorbed by Union Operations, with reasoning as follows: 1) cash advances were provided by Union Operations to ensure that large events such as the Will Ferrell comedy tour could be hosted; 2) deficits were covered by Union Operations to maximize the number of programming events that could be provided; and 3) revenues were partially utilized to cover the portions of the Union Operations deficit attributed to expenses associated with the administration and programming of UPC, yet these revenues were assigned as UPC funds;

WHEREAS, Providing programming for students is one of the four original missions tasked to the Union, and the Union is committed to providing continued funding to cover the administrative salaries and subsidize the expenses associated with administrative overhead, programming events, and other miscellaneous costs;

WHEREAS, The Union is currently operating in a deficit and the new account structure does not permit them to recoup any of the non-itemized expenses and unrealized revenues associated UPC programming events; and

WHEREAS, A percentage of the annual UPC Privilege Fee, taken from the first self-generated revenues of UPC, will help to offset the costs incurred by the Union and enable the accounts to be fully separated.

BE IT ENACTED THAT:

SECTION 1. KSU SGA Statutes Chapter 49 is hereby amended to read as follows:

This agreement made this _____ day of March 2010, between the Kansas State University Student Governing Association (SGA), and K-State Student Union Program Council (DEPARTMENT).

Any funds earned and/or reimbursements from the expenditures of such privilege fees are to be deposited into the same agency’s student privilege fee account. The following are the only exceptions:

4. All income generated by the UPC/After Hours Privilege Fee must be used to supplement the activities of said fee. The self-generated income created by Privilege Fees must be used for UPC/After Hours activities and programs. The only exception is revenue generated for philanthropic purposes.

5. All UPC/After Hours Privilege Fees and other funds intended to support UPC and After Hours programs and activities from Section 4.3 of this agreement shall carry over in the account to the following fiscal year.

6. This agreement supersedes any previous agreement made by SGA with DEPARTMENT regarding funding of budgets and use of such funding.

7. Any breach of this agreement by the DEPARTMENT will result in automatic review by SGA and such review could result in decrease or termination of funding of the BUDGET. The failure of SGA to exercise any of its rights in any instance shall not constitute a waiver of such rights in that instance or in any other instance.

8. Within 60 days after the end of the fiscal year, the Director of the DEPARTMENT shall submit a written summary of expenditures along with information regarding After Hours attendance, programming, and any carry over amount to the Privilege Fee Chair for review by SGA to the Privilege Fee Chair for review by SGA.

THIS BILL PASSED STUDENT SENATE ON MARCH 3, 2011
BY A ROLL CALL VOTE OF 49-1-0
BY: Privilege Fee Committee

WHEREAS, The Kansas State University student body and the K-State community have seen many benefits from the Recreational Complex and the services that it offers;

WHEREAS, The current Recreational Complex expansion is projected to be completed in March of 2012, increasing the value of the building by over $18 million and the square footage approximately 1.5-fold;

WHEREAS, Recently, the State of Kansas stated that it will not provide funds for the maintenance of non-academic buildings on campus, including the Recreation Complex, and alternative sources must be established for any new construction;

WHEREAS, Funds currently allocated to the Recreational Services Repair and Replacement Reserve budget, or any other Recreational Services privilege fee line item, are not sufficient to cover major nor unforeseen repairs – therefore, in such an event, no funds would be available to meet the need;

WHEREAS, Two Privilege Fee line items, currently in effect, were created to retire the debt associated with past and current Recreational Complex enhancements – following the procedures for utilizing student fees for building bonds detailed in Chapter 30, Section 6 of the Statutes, including the review and recommendations by a special committee of the Student Governing Association, a referendum vote by the student body, and consideration by Student Senate;

WHEREAS, These bonds require 125 percent of the original bond amount to be collected, the excess of which will amount to approximately $300,000 annually and is deposited into a general bond surplus account; and

WHEREAS, The Privilege Fee Committee reviewed this proposed budget upon recommendation by the Vice President for Administration and Finance and in accordance with the Kansas State University Student Governing Association Statutes.

BE IT ENACTED THAT:

SECTION 1. Chapter 30, Section 0101 and 0102 of the Kansas State University Student Governing Association Statutes be amended to read as follows:

30-0101 Revenue Projections for Privilege Fees

The revenue projection for general Privilege Fee Budgets will be based upon the total number of credit hours generated during the summer session, fall semester, and spring semester of the year most immediately prior to the year for which the privilege fee budget is being established or reviewed (e.g. the base for campus privilege fee projections for the 1996-1997 academic year – FY97 – will be the total credit hours generated from main campus and Vet Med in the summer session 1995, fall semester 1995 and spring semester 1996.)

Special Privilege Fee Budgets will generate their revenue from the University mandated excess fees collected in the debt reduction of outstanding bonds. These funds will be collected from the designated bond’s annual surplus of the prior year, and are not to be drawn from the general bond surplus account. Therefore, the annual allocation must not exceed the expected surplus to be collected and cannot exceed the funding life from the designated bond. Privilege Fee agencies matching this criteria are defined in the following section.
Privilege Fee Budgets

Budgets will be established for each Privilege Fee agency as follows:

A. Budgets for Board of Regents mandated fees and fees which support debt financing will be equal to the actual collection of revenues. Privilege Fee agencies currently included in this category are Educational Opportunity Fund, Recreational Complex Debt Retirement, Recreational Complex Operations, Recreational Complex Expansion Debt Retirement, Library Expansion, and K-State Student Union Enhancement.

A.B. Budgets for special Privilege Fee agencies are to be less than or equal to the surplus funds collected from the debt retirement of the corresponding bond as specified in the contract for each agency. The only Privilege Fee agency currently included in this category is the Recreational Complex Maintenance Reserve.

B.C. The remaining Privilege Fee agencies currently include Student Health, University Counseling Services, Fine Arts, University Bands, Student Publications Inc., Athletics, Bramlage Repair and Replacement, K-State Student Union Operations, K-State Student Union Repair and Replacement, Union Program Council, Office of Student Activities and Services, Student Activity Fee, Recreational Services, Recreational Complex Repair and Replacement, Sports Club Activity Fee, KDSB Operations, and KSDB Repair and Replacement.

SECTION 2. Chapter 30, Section 0302 of the Kansas State University Student Governing Association Statutes be amended to read as follows:

30-0302 Year A
   Student Health
   University Counseling Services
   Fine Arts

This agreement, made the _____day of February 2011, between the Kansas State University Student Governing Association (SENATE), and Kansas State Student Union (DEPARTMENT).

1. The DEPARTMENT Privilege Fee budget (BUDGET) shall be funded at $200,000 for fiscal years 2012-2014. These funds are to be collected from the surplus monies associated with the Recreation Complex debt retirement set to mature in October, 2039. The BUDGET will be reviewed prior to academic year 2014-2015.

2. Any use of these monies must first receive written approval from the Privilege Fee Committee. The only acceptable uses of these funds are for the DEPARTMENT and as follows:
   a) Major maintenance expenses incurred by the building, including the repair and/or replacement of fixed building property, a major part or component of structure, structural equipment that are not part of normal maintenance and ordinary repairs (as defined below) of the facility. This definition also includes the removal of a major part or component of structure and the substitution of a new part or component essentially of the same type and performance capabilities. Replacing a revenue generator with a different one is not allowable through this definition.
   b) The construction of new or renovation to existing recreational facilities. This must first be approved by Privilege Fee after which it must adhere to the stipulations set forth in SGA Constitution Article V Section 509 Letter C and Article XI Section 1102. This usage is intended to either supplement or replace the issuance of debt for said purpose.

3. Normal maintenance and ordinary repairs shall be defined as costs such as cleaning, adjustment, and painting which are incurred on a continuous basis to keep operational assets in usable condition. Ordinary repairs are outlays for parts, labor and related supplies which are necessary to keep the asset in operational condition, but neither (a) add materially to the value of the asset, nor (b) prolong its life appreciably.

4. This agreement supersedes any previous agreement made by SENATE with DEPARTMENT regarding funding of budgets and use of such funding.

5. Any breach of this agreement by the DEPARTMENT will result in automatic review by SENATE and such review could result in decrease or termination of funding of the BUDGET. The failure of SENATE to exercise any of its rights in any instance shall not constitute a waiver of such rights in that instance or in any other instance.

6. Within 90 days after the end of the fiscal year, the Director of the DEPARTMENT shall submit a written summary of expenditures to the Privilege Fee Chair to be available for review by SENATE.

7. No construction of or renovation of a building or facility at K-State is permitted with privilege fees unless the fee was established by a binding referendum vote of the student body. (SGA Constitution Article V Section 509 Letter C and Article XI Section 1102)
   a) Construction shall be defined as capital outlay costs to construct new or make additions onto an existing building or facility.
   b) Renovation shall be defined as any capital outlay costs used to make modifications to existing building or facilities. Examples of uses of these funds include major replacements
The agreement shall be governed by and subject to the laws of the State of Kansas.

By signing this agreement, the representatives of the respective parties hereby represent that each is duly authorized by his or her party to execute this document on behalf of such party and that the party agrees to be bound by the provisions of the agreement.

Bill 10/11/64 becomes effective upon execution of this agreement by the Recreational Services Council Chair, the Recreational Services Director, the Vice President for Student Life, the Vice President for Administration and Finance, the Speaker of the Student Senate, the Student Body President, and the Privilege Fee Committee Chair.

ROLL CALL
43 Senators and 18 Interns were present for roll.

ADJOURNMENT
Moved by Buchanan. Adjourned at 8:53 p.m.

Respectfully Submitted by Madeline A. Haas, Student Senate Secretary
Below is the acceptance speech by Vice President Oliver intended for the Human Ecology reception.

In the Spring of 2007, Lydia Peele and Matt Wagner ran for Student Body President and Vice President hoping to make a unique impact on the Kansas State University student body. One of their campaign platforms was to create a program which would aid their constituents in financial endeavors. Once Lydia and Matt were elected, today’s Powercat Financial Planning Center was on its well on its way. With the support of Student Senate, the committee for Student Centered Tuition Enhancements, and several generous private donors, the center opened in the Fall of 2009, providing free financial counseling to all K-State Students. While myself, Student Body President Danny Unruh, and Speaker of the Student Senate, Kyle Reynolds were mere Senate Interns when the project was initiated, it has served as a reminder throughout our SGA experience of why we were there, to drive the academic, social, and personal betterment of our Student Body. While we have the great honor of accepting this award on behalf of SGA, true thanks goes out to Lydia Peele and Matt Wagner for their unwaivering efforts to spear-head the financial center and of course, to Jodi Kaus, who continues to head to Powercat Financial Center as it reaches out to thousands of students.

Since the center’s opening in 2009, it has counseled over 120 students on their financial issues, presented to over 1,015 students on financial matters, and has reached over 75,000 individuals through campus events. In these times of economic difficulty, a program such as this is crucial to our students.

At this time, we would like to thank Kansas State University’s College of Human Ecology, quoted by Lydia Peele as being “the natural fit for the Powercat Financial Planning Center’s home” for this prestigious recognition of excellence. It has and continues to be an honor to work within this partnership as we strive for financial knowledge and understanding of the Kansas State University student body.

Speaker Reynolds

Speaker Pro Tem Brinton
- Thank you for everything, especially for teaching us to speak up

President Unruh
- Join us at KatHouse following Senate!
- “If you’re not going to do it, who will?”

Senator Muir
- Bill began with a story about his grandfather, who was his personal role model. Grandfather Muir was soft-spoken and quiet. He always wanted to do what was right. Grandfather Muir sold both phonographs and musical instruments. He was forced with a choice between the two, and chose to make his life’s work selling instruments. He was a generous and kind contributor to his Nebraska community. He made sure every child he worked with had a musical instrument, and that every family had a piano. Out of this story could be drawn the following conclusion: Family is everything—Both real family and the “families” that develop in our lives throughout the years
  - In regards to the numbers of people Muir has come to know over the years, he claimed they are now his family. “You are my family,” he said. “You have become what that is”.
- Bill has seen 1,207 ATOs initiated. He has also seen 54 different chapters installed.
  - “I’ve waited 40 years as a chapter advisor to see an ATO as student body President”, Muir said. “And Danny will forever hold a special spot in my heart”.
- “Never take your highs too high, and never take your lows too low.”
  - “You have to be sure to moderate all your ‘things’—don’t get so carried away with the day
that you take yourself to the ultimate extreme, because the next day might take you to the ultimate abyss”.

- “I ain’t done here,” Bill reminded the Senate body. “I’m just gonna take a little rest”.
- In addition to the five lifetime goals he presented at the reception, Muir said that he also hoped to go to every continent.
  - He encouraged all present to “Set those kinds of lifetime goals for yourself as well”.
- “I’m sort of like the Gayle Spencer of the state government. When I finish one thing, I immediately ask to take on another challenge”.
  - “Always seek the higher level, by serving the people that are around you”.
- Bill will be at the Senate Operations meeting on Tuesday February 8, as he does not “expire” until midnight of that day.
- In regards to student’s current involvement with SGA, Bill said that he thinks the university has done students a disservice by scheduling them from beginning to end of each day, thus not allowing for concentrated efforts towards groups such as the Senate body.
- Muir encouraged us all to run for office and get involved in the world. “Because if you don’t, as intelligent caring forthright community leader, who will?”
  - “Those that have single minded issues are going to take over if YOU don’t care.”
  - Over 70% of House and Senate used to be college graduates. This number has dropped to between 40-45%. Our education gives us the power to make a difference
  - “Go conquer the world. Don’t wait too long”
  - “Don’t concentrate on time. I’ve got stuff to do, and you do too”.
- To Tim- “You’re what it means to be a K-Stater. If you want to know a true K-Stater, talk to Tim.”
- To Dr. Kerby- “To you falls the yolk. You’re going to have a good time because you care.” Bill also instructed Senate to “Give him the same trust and confidence you gave me”.
- “You’re good people. All of you. Go do good things”.
- LOVE AND RESPECT
