620 applicable law and University policies. In the case of a full hearing with appellant, respondent, and any
621 witnesses present, the evidentiary phase of the hearing may be closed unless the respondent requests
622 that the hearing be open, or in cases where there is an overriding interest to the University community. In
623 such cases, a determination shall be made by the Attorney General in consultation with the Dean of

Section 7. Hearing Procedures.

A. Conduct of Primary Hearing.

1. Attendance at the hearing shall be:

a. For Student Review Board, Student Tribunal, and ad hoc boards, restricted to the judicial board, Judicial Advisor, the respondent,
complainant, appellant, witnesses and an advisor who may be an attorney but does not have speaking privileges.

b. Any respondent or complainant who plans to have an attorney serve as their advisor, must notify the Chair of the hearing board no later than 48 hours prior to the hearing so that all parties, including the University, may also have counsel present. Failure to notify the hearing board within the appropriate time frame may result in having the individual find an alternative advisor that is not an attorney and/or may serve as cause for immediate postponement of the hearing at the discretion of the Chair or Attorney General.

c. For Housing and Dining Services Judicial Board, restricted to a minimum of four and a maximum of six Associate Justices, the Chief Justice who shall chair the hearings, the complainant, respondent, any witnesses called by any of the preceding parties, an advisor who may be an attorney but does not have speaking privileges, and a Residence Life Coordinator or Assistant Residence Life Coordinator or designee who shall serve as advisor. Exceptions to this must be approved by the Attorney General before starting the hearing.

d. Student Review Board, Student Tribunal, and ad hoc boards hearing a complaint shall be attended by at least two-thirds of its membership. If a sufficient number of members are not present, their hearing will be postponed for a time not to exceed 10 class days. The Attorney General may assemble an Ad Hoc Judicial Board if a quorum cannot be achieved.

2. All information regarding the case shall be kept confidential, subject to applicable law and University policies. The evidentiary phase of the hearing may be closed unless the respondent specifically requests that the hearing be open. If necessary to preserve the confidentiality of the students involved, the Chair may deny the respondent’s request for an open hearing.

3. The complainant shall have the burden of proving the allegations by a preponderance of the evidence.

4. All procedural questions are subject to the final decision of the Chair of the judicial board.

5. The complainant, the respondent, and the judicial board, in that order, may present witnesses, subject to the right of cross examination by the judicial board, complainant and respondent.

6. Pertinent records, exhibits and written statements may be accepted as evidence for consideration by a judicial board at the discretion of the Chair.

7. No person shall be compelled to provide testimony which may be prejudicial to himself/herself.

8. Written or oral statements of persons not present at the hearing shall not be admissible, except under extraordinary circumstances when the reliability of the statements can be demonstrated and as permitted by the Dean of Student Life or designee.

a. To determine admissibility of such written or oral statements, the Chair may question the party offering the evidence before admitting or excluding it.

b. If the circumstances are not extraordinary and the evidence is excluded, the Chair shall state that the evidence is not to be considered because the person(s) making the statement is not present for questioning and the
reliability of the evidence is questionable.

9. No student may be found to have violated the Conduct Code or Residence Housing Policy solely because the student failed to appear before a judicial board. In all cases, the evidence in support of the charges shall be presented and considered.

10. Conflict of interest shall preclude any person from sitting in judgment upon the respondent. The Chair shall ask if any person sitting in judgment has any prior information on the allegations that would cause bias. Conflicts include, but are not limited to, sitting in judgment:
   a. After investigating the case against the respondent.
   b. When serving as a witness.
   c. When acting as a complainant. In such cases, the Chair may refer the case to another judicial board.

11. There shall be a tape recording of all hearings. The record shall be the property of the University.

12. The following order of procedure shall be used at the hearing:
   a. The Chair shall state the allegations against the respondent.
   b. The respondent shall admit or deny the allegations.
   c. If the respondent denies the allegations, the following order of procedures shall be used:
      i. The complainant shall present only relevant evidence and may call witnesses.
      ii. The respondent and members of the judicial board, in that order, may examine all physical evidence presented and may question the complainant and all witnesses.
      iii. The respondent may present evidence and call witnesses; however, the respondent shall not be compelled to provide testimony which may be prejudicial to himself/herself, and failure to testify shall not be evidence of guilt.
      iv. The complainant and members of the judicial board, in that order, may question the respondent’s witnesses and may question the respondent.
      v. Members of the judicial board may again question the complainant, respondent and witnesses to clarify discrepancies.
      vi. The complainant and respondent, in that order, may make concluding statements.
      vii. The Chair shall state the procedure for notice of the decision and the procedure for appeal pursuant to Section 9.
      viii. The judicial board shall meet in closed session in order to deliberate on the proof of the allegations. The decision shall be based solely on the evidence presented at the hearing.
      ix. Following discussion, the judicial board shall resume open session in order to determine, by majority vote, whether the complainant has shown by a preponderance of the evidence, that the respondent violated each identified section of the Conduct Code or Housing Policy. The Chair shall vote only in the event of a tie.
   d. If the allegations are supported by a preponderance of evidence, or if the respondent admits to the alleged violations, the judicial board shall:
      i. Inform the respondent of the range of sanctions and allow the respondent to present evidence of:
Any personal circumstances tending to explain and justify his/her actions. (b) Any personal circumstances relevant to the range of sanctions, such as the effect that various sanctions might have upon the respondent; and

1. Warning: notice in writing to the student identifying the violation of University policy.

6. Residence Hall/Jardine Suspension: recommendation to the Director for separation of the student from the residence halls or Jardine for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

7. The Dean or designee may impose a University or residence hall/Jardine suspension prior to the hearing before a judicial body.

8. Residence Hall/Jardine Expulsion: recommendation to the Director for permanent separation of the student from the residence halls or Jardine.

   b. Revocation of Registration: loss of all privileges, including University recognition, for a specified period of time.

12. In each case in which a judicial board determines that a student has violated the Conduct Code or Housing Policy the sanction(s) shall be determined and imposed by the judicial board. The sanction(s) shall not be based upon evidence of prior violations, but based upon the determined violation only, except where the prior violation established a pattern of related acts.

13. University expulsion shall be made part of the student’s permanent academic record.

14. All other sanctions shall become a part of the student’s confidential record.

B. Notice of Decision.
   1. The hearing board shall notify both the respondent and the complainant in writing within forty-eight hours after the decision, stating the decision, the rationale for the decision, any sanctions imposed, and the rules and procedures for exercising the right to appeal.
   2. The decision will be served in person or by process in which receipt is certified.

Section 9. Appeals.

A. Any decision reached through a primary judicial board hearing may be appealed by the complainant or respondent to Student Tribunal. A Written Appeal Request Form shall be completed and filed with the Attorney General by 5:00 PM, within three class days following written notification of the decision to the primary hearing’s respondent and complainant. A maximum of three additional class days may be granted at the discretion of Attorney General if warranted by unusual circumstances.

B. Initially, an appeal shall be limited to review of the verbatim record of the previous hearing and supporting documents for one or more of the following purposes:
   1. The hearing board failed to provide a fundamentally fair process, including
      a. Defective notice.
      b. Failure to follow written procedures and rules as outlined in this code.
      c. Lack of substantial evidence to support a finding of violation, substantial evidence being such evidence that a reasonable mind might accept as adequate to support a conclusion, and/or
   2. The hearing board reached a decision in an unjust manner, including but not limited to the presence of
      a. Bias.
      b. Unreasonable, arbitrary or capricious action.
      c. Discrimination on the basis of race, religion, color, sex, physical ability, national origin, sexual orientation or ancestry.
   3. The hearing board denied the student’s SGA constitutional rights.
   4. The sanction is not to commensurate with the violation found.
   5. The hearing board lacked jurisdiction.

C. Evidence not presented in the original hearing may not be considered on appeal unless such evidence was not known nor could be discovered by the person requesting such evidence to be considered on appeal. The Chancellor shall have the discretion to decline to accept evidence that was not presented at a prior proceeding. If new evidence is accepted, both parties shall be notified of such evidence and have the opportunity to respond to it.

D. The Appeal Request Form shall include the following information:
   1. The name of the person making the appeal.
2. The body whose decision is being appealed.
3. The date on which the decision of that body was given.
4. The grounds on which the case is being appealed, supported by specific facts.

E. For an Appeal Request to be granted, it must be filed according to Section 9.A.&B. of this Code, and receipt of the request must be certified. With appeals involving decisions where sanctions of dismissal or expulsion are imposed, a hearing will automatically be granted.

F. The Chancellor shall forward a copy of the Appeal Request Form to the appellant, respondent, and the Chair of the prior hearing board within five class days of receipt. The Chancellor shall also inform the appellant, respondent, and primary hearing Chief Justice, of the right to respond within five class days of receipt of the Appeal Request Form, unless an extension is obtained by the Attorney General.

G. Within ten class days of receipt of the complaint, the Attorney General shall schedule a date, time and location for the appeal before Student Tribunal, or the appropriate appellate board. Appeals will be scheduled such that they can be heard in the most expedient manner possible. The reasonableness of this time frame shall be determined by the Attorney General, in consultation with the Dean or designee.

H. Because the appeal hearing shall be based on the primary hearing record, the Chancellor may determine that it is not necessary for the appellant, respondent and witnesses to be present. The Chancellor may request the presence of appellant, respondent, and any witnesses if deemed necessary.

I. The record for the appeal shall include:
1. The recording of the primary hearing board’s hearing.
2. The Judicial Complaint Form, Notice of Primary Hearing, Notice of Decision, and any other documents or physical evidence relating to the case.
3. The Appeal Request Form.
4. Any written responses to the Appeal Request Form submitted by the respondent.
5. Any written explanation or response submitted by the primary hearing board.
6. Records of prior violations of Conduct Code or Housing Policy for the primary hearing’s respondent.

J. The appeal shall be attended by at least two-thirds of the members of appellate board. If a quorum is not present, the hearing shall be postponed for a time not to exceed 10 class days. Additional days may be granted at the discretion of the Attorney General.

K. There shall be a tape recording of all appeal hearings. The record shall be the property of the University.

L. No person shall be compelled to provide testimony which may be prejudicial to himself/herself, and failure to testify shall not be evidence that the allegations are true.

M. The appeal shall be restricted to the appellate board, the Attorney General, and the Judicial Advisor, unless otherwise determined. All information regarding the case shall be kept confidential, subject to applicable law and University policies. In the case of a full hearing with appellant, respondent, and any witnesses present, the evidentiary phase of the hearing may be closed unless the respondent requests that the hearing be open, or in cases where there is an overriding interest to the University community. In such cases, a determination shall be made by the Attorney General in consultation with the Dean of Student Life or designee.

N. The following order of procedure shall be used at the appeal:
1. The Chair shall distribute copies of the written record to members of the board, who shall read, study and discuss such documents.
2. The Chair shall read the grounds for appeal.
3. Members of the board may listen to the recording of the primary hearing.
4. The board shall decide whether additional testimony is necessary and if so, the
Chair shall continue the appeal on a date no more than ten class days and no less than two class days. The Chair shall notify the appellant and respondent of the time, location, and date of the appeal hearing, the issues to be addressed and the following rights:

a. If either party is to be present at the appeal or if either party is permitted to call witnesses, the other party shall have the same rights.

b. The parties shall have the right to have an advisor present who may be an attorney but shall not have speaking privileges. Any appellant or respondent who plan to have an attorney serve as their advisor, must notify the Chair of the hearing board no later than 48 hours prior to the hearing so that all parties, including the university, may also have counsel present. Failure to notify the hearing board within the appropriate time frame may result in having the individual find an alternate advisor that is not an attorney and/or may serve as cause for immediate postponement of hearing at the discretion of the Chair or Attorney General.

O. The following order of procedure shall be used when the appeal resumes:

1. The Chair shall state the issues to be resolved at the appeal.

2. The appellant shall present only relevant evidence and may call witnesses; however, the appellant may not be compelled to provide testimony which may be prejudicial to himself/herself and failure to testify shall not be evidence of guilt.

3. The respondent and appellate board, in that order, may examine all physical evidence presented and may cross examine the appellant and all witnesses.

4. The respondent shall present only relevant evidence and may call witnesses; however, the respondent may not be compelled to provide testimony which may be prejudicial to himself/herself and failure to testify shall not be evidence of guilt.

5. The appellant and board, in that order, may examine all physical evidence presented and may question respondent and all witnesses.

6. The appellate board may again question the appellant, the respondent, the complainant and any witnesses.

7. The appellant and the respondent, in that order, may make concluding statements.

8. The Chair shall state the procedure for notice of the decision and the procedure or appeal of the decision.

P. The appellate board shall meet with the Judicial Advisor in closed session to deliberate on the available evidence and information. The decision shall be made when open session resumes and be based solely on the record including additional evidence presented at the appeal hearing.

1. If the judicial board finds that the prior board’s decisions are not supported by substantial evidence or that appellant or respondent had been substantially disadvantaged by procedural error, the appellate board shall change or modify the decision of the lower body or refer the case to a lower body for rehearing upon specific instructions.

2. The appellate board shall uphold the decision of the lower body. The board shall state in writing, the decision, the reasons supporting the decision and the action to be taken.

Q. The decision shall be delivered in person, or through a process by which receipt is certified, to the appellant, respondent, and the judicial board Chair whose decision is being appealed in writing within forty-eight hours of the appeal, review or hearing’s close. The notice shall include the decision, the reasons for the decision, the action to be taken, and the right to appeal to the University President.
In appeals by students found in violation of the Conduct Code, or Residence Hall or Jardine Policy review of the sanction by an appellate board may not result in more severe sanction(s) for the accused student.

Written appeal requests of decisions reached by an appellate board must be submitted to the University President by 5:00 p.m. within three class days following notification in writing of the decision. The appeal shall be based solely on the review of the written record. No additional information or documentation shall be presented. Following an appeal, the University President may, upon review of the case, adjust the sanctions imposed by the judicial board or uphold the prior decision.

Section 10. Management of Records.

A.    a. Be notified in writing that a hold will be placed on academic records until sanctions are completed.

      ii. If judgments do not match, the two copies of the appeal shall be held for final review by the two co-chairs of the Parking Citation Appeals Board.

D. The two co-chairs shall consider the appeal at its next scheduled meeting. At that time they shall review the recorded reasoning of the two board members whose judgments differed. Using that information, they shall discuss the appeal and make a decision. In the event of a tie, the final judgment shall be determined by the Attorney General.

THIS BILL PASSED STUDENT SENATE ON MARCH 29, 2012

BY A ROLL CALL VOTE OF 50-0-0
WHEREAS, The Privilege Fee Guidelines exists to outline the allocation of student privilege fees; and
WHEREAS, Privilege Fee Guidelines outlined in Chapter 30 of the Statutes need to be updated periodically to ensure that the Statutes match current practices.

BE IT ENACTED THAT:

SECTION 1. Chapter 30 of the Statutes be hereby amended to read:

Chapter 30:
Privilege Fee Spending Regulations, Schedules and other Guidelines

30-01 Privilege Fee Funding System
30-0101 Revenue Projections for Privilege Fees
The revenue projection for Privilege Fee Budgets will be based upon the total number of credit hours generated during the summer session, fall semester and spring semester of the year most immediately prior to the year for which the privilege fee budget is being established or reviewed (e.g. the base for campus privilege fee projections for the 1996-1997 academic year – FY97 – will be the total credit hours generated from main campus and Vet Med in the summer session 1995, fall semester 1995 and spring semester 1996.)

30-0102 Privilege Fee agencies that are up for review in that year will be requested to submit their budget request in accordance with KSU SGA Statutes 30-05.
30-0103 Privilege Fee agencies that are up for review in that year will be requested to submit their budget request in accordance with KSU SGA Statutes 30-05.
30-0104 The Privilege Fee Committee will consider each budget request and make a recommendation to Student Senate.
30-0105 After all budgets are approved by Student Senate, the Privilege Fee Chair will work with University Administration to discuss the adjustments necessary to meet the approved allocations based on projected enrollment figures. These adjustments are to maintain a close approximation to the proportionality of the current capped linear fee structure.
30-0106 Two weeks after the spring twentieth-day enrollment figures are released, Privilege Fee agencies not scheduled review may request a usage budget adjustment from the Privilege Fee Committee. The Privilege Fee Committee will make recommendations to Student Senate which can approve the budget adjustment by a two-thirds vote of those selected and qualified.
30-0107 Requests for unforeseen budget adjustments (equipment failure, unexpected increases in costs, etc.) can be made to the Privilege Fee Committee as needed throughout the academic year according to the provisions of KSU SGA Statutes 30-02.
30-0108 The Privilege Fee agencies due for review can either remain constant, decrease, increase, and/or be adjusted with a supplemental budget enhancement in lieu of a base budget increase.

30-02 Privilege Fee Accounts
Additional revenues which accrue because of additional credit hour production beyond the base used for projections will be deposited in the Privilege Fee Debt Reduction and Emergency Allocation Account.

The Debt Reduction and Emergency Allocation Account shall maintain a 5.0% base level of the total Privilege Fee base budget. The only reason the 5.0% can be allocated is in the case of a financial shortfall due to an enrollment decrease.

Withdrawals from the Privilege Fee Debt Reduction and Emergency Allocation Account shall only be made for payments towards outstanding debt on student bonds, for one-time emergency funding allocations, and to meet approved allocations to privilege fee agencies due to a financial shortfall from lower than projected enrollment.

Definition: An emergency allocation shall be a one-time allocation given when all the following criteria are met:

A. The privilege fee agency has exhausted all other means of outside funding; and
B. The privilege fee agency has reduced expenditures and cannot further reduce expenditures; and
C. The emergency situation has severely hampered the current operations of the privilege fee agency.

Withdrawals from the Privilege Fee Debt Reduction and Emergency Allocation Account shall only be made by a two-thirds vote of Student Senate selected and qualified.
