VETOED BY THE STUDENT BODY PRESIDENT ON FEBRUARY 28, 2013

NO ACTION WAS TAKEN BY STUDENT SENATE
VETO MESSAGE OF THE
STUDENT BODY PRESIDENT

Pursuant to Article IV, Section 406.C. of the Kansas State University Student Governing Association Constitution, I hereby veto Bill 12/13/44 for the following reasons:

On February 24 the president of Students for Environmental Action (SEA), Kayla Mohnsen, contacted the Chair of the Senate Allocations Committee, Brandon Brunner, to inform him that the organization will no longer be hosting the event. Mohnsen provided that due to the risk of severe winter weather the lecturer, Simon Sedillo, cancelled and was unable to reschedule. 

Through consultation with Chair Brunner and the SGA Executive Committee, I have decided to veto Bill 12/13/44 so that the funds may be returned to the Senate Allocations Committee to be reallocated to support other requests.

For these reasons, I veto Bill 12/13/44.

Exceptions to this must be approved by the Attorney General before starting the hearing.

d. Student Review Board, Student Tribunal, and ad hoc boards hearing a complaint shall be attended by at least two-thirds of its membership. If a sufficient number of members are not present, their hearing will be postponed for a time not to exceed 10 class days. The Attorney General may assemble an Ad Hoc Judicial Board if a quorum cannot be achieved.

2. All information regarding the case shall be kept confidential, subject to applicable law and University policies. The evidentiary phase of the hearing may be closed unless the respondent specifically requests that the hearing be open. If necessary to preserve the confidentiality of the students involved, the Chair may deny the respondent’s request for an open hearing.

3. The complainant shall have the burden of proving the allegations by a preponderance of the evidence.

4. All procedural questions are subject to the final decision of the Chair of the judicial board.

5. The complainant, the respondent, and the judicial board, in that order, may present witnesses, subject to the right of cross examination by the judicial board, complainant and respondent.

6. Pertinent records, exhibits and written statements may be accepted as evidence for consideration by a judicial board at the discretion of the Chair.

7. No person shall be compelled to provide testimony which may be prejudicial to himself/herself.

8. Written or oral statements of persons not present at the hearing shall not be admissible, except under extraordinary circumstances when the reliability of the statements can be demonstrated and as permitted by the Dean of Student Life or designee.

a. To determine admissibility of such written or oral statements, the Chair may question the party offering the evidence before admitting or excluding it.

b. If the circumstances are not extraordinary and the evidence is excluded, the Chair shall state that the evidence is not to be considered because the person(s) making the statement is not present for questioning and the reliability of the evidence is questionable.

9. No student may be found to have violated the Conduct Code or Residence Housing Policy solely because the student failed to appear before a judicial board. In all cases, the evidence in
support of the charges shall be presented and considered.

10. Conflict of interest shall preclude any person from sitting in judgment upon the respondent. The Chair shall ask if any person sitting in judgment has any prior information on the allegations that would cause bias. Conflicts include, but are not limited to, sitting in judgment:
   a. After investigating the case against the respondent.
   b. When serving as a witness.
   c. When acting as a complainant. In such cases, the Chair may refer the case to another judicial board.

11. There shall be a tape recording of all hearings. The record shall be the property of the University.

12. The following order of procedure shall be used at the hearing:
   a. The Chair shall state the allegations against the respondent.
   b. The respondent shall admit or deny the allegations.
   c. If the respondent denies the allegations, the following order of procedures shall be used:
      i. The complainant shall present only relevant evidence and may call witnesses.
      ii. The respondent and members of the judicial board, in that order, may examine all physical evidence presented and may question the complainant and all witnesses.
      iii. The respondent may present evidence and call witnesses; however, the respondent shall not be compelled to provide testimony which may be prejudicial to himself/herself, and failure to testify shall not be evidence of guilt.
      iv. The complainant and members of the judicial board, in that order, may question the respondent’s witnesses and may question the respondent.
      v. Members of the judicial board may again question the complainant, respondent and witnesses to clarify discrepancies.
      vi. The complainant and respondent, in that order, may make concluding statements.
      vii. The Chair shall state the procedure for notice of the decision and the procedure for appeal pursuant to Section 9.
      viii. The judicial board shall meet in closed session in order to deliberate on the proof of the allegations. The decision shall be based solely on the evidence presented at the hearing.
      ix. Following discussion, the judicial board shall resume open session in order to determine, by majority vote, whether the complainant has shown by a preponderance of the evidence, that the respondent violated each identified section of the Conduct Code or Housing Policy. The
Chair shall vote only in the event of a tie.

d. If the allegations are supported by a preponderance of evidence, or if the respondent admits to the alleged violations, the judicial board shall:
   i. Inform the respondent of the range of sanctions and allow the respondent to present evidence of:
      (a) Any personal circumstances tending to explain and justify his/her actions.
      (b) Any personal circumstances relevant to the range of sanctions, such as the effect that various sanctions might have upon the respondent; and
   ii. After hearing such evidence
      (a) Consult with the Judicial Advisor, who shall provide information of prior violations of the Conduct Code or Housing Policy by the student.
      (b) Determine the sanction against the respondent.

13. Violations of Housing and Dining Services contract terms may also be adjudicated by the Director.

Section 8. Sanctions

A. Any single or combination of the following sanctions may be imposed upon any student found to have violated the Conduct Code or other policy:

1. Warning: notice in writing to the student identifying the violation of University policy.

2. Probation: written reprimand for violation of specified policies. Probation is for a specified period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating University policy during the probationary period.

3. Loss of Privileges: denial of specified privileges for a designated period of time, including the non-release of academic records.

4. Restitution: compensation for loss, damage or injury. This may take the form of appropriate services and/or monetary or material replacement.

5. Discretionary Sanctions: work assignments, service to the University or other related discretionary assignments.

6. Residence Hall/Jardine Suspension: recommendation to the Director for separation of the student from the residence halls or Jardine for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

7. The Dean or designee may impose a University or residence hall/Jardine suspension prior to the hearing before a judicial body.
   a. Interim suspension may be imposed:
      i. To ensure the safety and well-being of members of the University community or preservation of University property.
      ii. To ensure the respondent’s own physical or
emotional safety and well-being.

iii. If the respondent poses a definite threat of disruption of or interference with the normal operations of the University.

b. During the interim suspension, the respondent may be denied access to the residence halls or to the campus, including classes, or all other University activities or privileges for which the student might otherwise be eligible, as the University President or Dean may determine to be appropriate.

8. Residence Hall/Jardine Expulsion: recommendation to the Director for permanent separation of the student from the residence halls or Jardine.

9. University Suspension: recommendation to the University President of separation of the student from the University for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

11. The following sanctions may be imposed upon registered organizations:
   a. Those sanctions listed previously.
   b. Revocation of Registration: loss of all privileges, including University recognition, for a specified period of time.

12. In each case in which a judicial board determines that a student has violated the Conduct Code or Housing Policy the sanction(s) shall be determined and imposed by the judicial board. The sanction(s) shall not be based upon evidence of prior violations, but based upon the determined violation only, except where the prior violation established a pattern of related acts.

13. University expulsion shall be made part of the student’s permanent academic record.

14. All other sanctions shall become a part of the student’s confidential record.

B. Notice of Decision.

1. The hearing board shall notify both the respondent and the complainant in writing within forty-eight (48) hours after the decision, stating the decision, the rationale for the decision, any sanctions imposed, and the rules and procedures for exercising the right to appeal.

2. The decision will be served in person or by process in which receipt is certified.

Section 9. Appeals.

A. Any decision reached through a primary judicial board hearing may be appealed by the complainant or respondent to Student Tribunal. A Written Appeal Request Form shall be completed and filed with the Attorney General by 5:00 PM, within three class days following written notification of the decision to the primary hearing’s respondent and complainant. A maximum of three additional class days may be granted
at the discretion of Attorney General if warranted by unusual circumstances.

B. Initially, an appeal shall be limited to review of the verbatim record of the previous hearing and supporting documents for one or more of the following purposes:

1. The hearing board failed to provide a fundamentally fair process, including
   a. Defective notice.
   b. Failure to follow written procedures and rules as outlined in this code.
   c. Lack of substantial evidence to support a finding of violation, substantial evidence being such evidence that a reasonable mind might accept as adequate to support a conclusion, and/or

2. The hearing board reached a decision in an unjust manner, including but not limited to the presence of
   a. Bias.
   b. Unreasonable, arbitrary or capricious action.
   c. Discrimination on the basis of race, religion, color, sex, physical ability, national origin, sexual orientation or ancestry.

3. The hearing board denied the student’s KSU SGA constitutional rights.

4. The sanction is not to commensurate with the violation found.

5. The hearing board lacked jurisdiction.

C. Evidence not presented in the original hearing may not be considered on appeal unless such evidence was not known nor could be discovered by the person requesting such evidence to be considered on appeal. The Chancellor shall have the discretion to decline to accept evidence that was not presented at a prior proceeding. If new evidence is accepted, both parties shall be notified of such evidence and have the opportunity to respond to it.

D. The Appeal Request Form shall include the following information:

1. The name of the person making the appeal.
2. The body whose decision is being appealed.
3. The date on which the decision of that body was given.
4. The grounds on which the case is being appealed, supported by specific facts.

E. For an Appeal Request to be granted, it must be filed according to Section 9.A. & B. of this Code, and receipt of the request must be certified. With appeals involving decisions where sanctions of dismissal or expulsion are imposed, a hearing will automatically be granted.

F. The Chancellor shall forward a copy of the Appeal Request Form to the appellant, respondent, and the Chair of the prior hearing board within five class days of receipt. The Chancellor shall also inform the appellant, respondent, and primary hearing Chief Justice, of the right to respond in writing within five class days of receipt of the Appeal Request Form, unless an extension is obtained by the Attorney General.

G. Within ten class days of receipt of the complaint, the Attorney General shall schedule a date, time and location for the appeal before Student Tribunal, or the appropriate appellate board. Appeals will be scheduled
such that they can be heard in the most expedient manner possible. The reasonableness of this time frame shall be determined by the Attorney General, in consultation with the Dean or designee.

H. Because the appeal hearing shall be based on the primary hearing record, the Chancellor may determine that it is not necessary for the appellant, respondent and witnesses to be present. The Chancellor may request the presence of appellant, respondent, and any witnesses if deemed necessary.

I. The record for the appeal shall include:
   1. The recording of the primary hearing board’s hearing.
   2. The Judicial Complaint Form, Notice of Primary Hearing, Notice of Decision, and any other documents or physical evidence relating to the case.
   3. The Appeal Request Form.
   4. Any written responses to the Appeal Request Form submitted by the respondent.
   5. Any written explanation or response submitted by the primary hearing board.
   6. Records of prior violations of Conduct Code or Housing Policy for the primary hearing’s respondent.

J. The appeal shall be attended by at least two-thirds of the members of appellate board. If a quorum is not present, the hearing shall be postponed for a time not to exceed 10 class days. Additional days may be granted at the discretion of the Attorney General.

K. There shall be a tape recording of all appeal hearings. The record shall be the property of the University.

L. No person shall be compelled to provide testimony which may be prejudicial to himself/herself, and failure to testify shall not be evidence that the allegations are true.

M. The appeal shall be restricted to the appellate board, the Attorney General, and the Judicial Advisor, unless otherwise determined. All information regarding the case shall be kept confidential, subject to applicable law and University policies. In the case of a full hearing with appellant, respondent, and any witnesses present, the evidentiary phase of the hearing may be closed unless the respondent requests that the hearing be open, or in cases where there is an overriding interest to the University community. In such cases, a determination shall be made by the Attorney General in consultation with the Dean of Student Life or designee.

N. The following order of procedure shall be used at the appeal:
   1. The Chair shall distribute copies of the written record to members of the board, who shall read, study and discuss such documents.
   2. The Chair shall read the grounds for appeal.
   3. Members of the board may listen to the recording of the primary hearing.
   4. The board shall decide whether additional testimony is necessary and if so, the Chair shall continue the appeal on a date no more than ten class days and no less than two class days. The Chair shall notify the appellant and respondent of the time, location, and date of the appeal hearing, the issues to be addressed and the
following rights:

a. If either party is to be present at the appeal or if either party is permitted to call witnesses, the other party shall have the same rights.

b. The parties shall have the right to have an advisor present who may be an attorney but shall not have speaking privileges. Any appellant or respondent who plan to have an attorney serve as their advisor, must notify the Chair of the hearing board no later than 48 hours prior to the hearing so that all parties, including the university, may also have counsel present. Failure to notify the hearing board within the appropriate time frame may result in having the individual find an alternate advisor that is not an attorney and/or may serve as cause for immediate postponement of hearing at the discretion of the Chair or Attorney General.

O. The following order of procedure shall be used when the appeal resumes:

1. The Chair shall state the issues to be resolved at the appeal.

2. The appellant shall present only relevant evidence and may call witnesses; however, the appellant may not be compelled to provide testimony which may be prejudicial to himself/herself and failure to testify shall not be evidence of guilt.

3. The respondent and appellate board, in that order, may examine all physical evidence presented and may cross examine the appellant and all witnesses.

4. The respondent shall present only relevant evidence and may call witnesses; however, the respondent may not be compelled to provide testimony which may be prejudicial to himself/herself and failure to testify shall not be evidence of guilt.

5. The appellant and board, in that order, may examine all physical evidence presented and may question respondent and all witnesses.

6. The appellate board may again question the appellant, the respondent, the complainant and any witnesses.

7. The appellant and the respondent, in that order, may make concluding statements.

8. The Chair shall state the procedure for notice of the decision and the procedure or appeal of the decision.

P. The appellate board shall meet with the Judicial Advisor in closed session to deliberate on the available evidence and information. The decision shall be made when open session resumes and be based solely on the record including additional evidence presented at the appeal hearing.

1. If the judicial board finds that the prior board’s decisions are not supported by substantial evidence or that appellant or respondent had been substantially disadvantaged by procedural error, the appellate board shall change or modify the decision of the lower body or refer the case to a lower body for rehearing upon specific instructions.

2. The appellate board shall uphold the decision of the lower body. The board shall state in writing, the decision, the reasons
supporting the decision and the action to be taken.

Q. The decision shall be delivered in person, or through a process by which receipt is certified, to the appellant, respondent, and the judicial board Chair whose decision is being appealed within forty-eight (48) hours of the appeal, review or hearing’s close. The notice shall include the decision, the reasons for the decision, the action to be taken, and the right to appeal to the University President.

R. In appeals by students found in violation of the Conduct Code, or Residence Hall or Jardine Policy review of the sanction by an appellate board may not result in more severe sanction(s) for the accused student.

S. Written appeal requests of decisions reached by an appellate board must be submitted to the University President by 5:00 p.m. within three class days following notification in writing of the decision. The appeal shall be based solely on the review of the written record. No additional information or documentation shall be presented. Following an appeal, the University President may, upon review of the case, adjust the sanctions imposed by the judicial board or uphold the prior decision.

Section 10. Management of Records.

A. Records of the Housing and Dining Services Judicial Boards, Housing Administrative Resolutions, Ad Hoc Boards, Student Tribunal and Student Review Board proceedings, and records of proceedings brought pursuant to impeachment hearing and interpretations of KSU SGA Constitution, By-Laws, and legislation will be maintained by the Judicial Advisor.

B. Records of proceedings of Administrative Hearings shall be maintained by the Dean of Student Life or designee.

2. The respondent must complete sanctions with proof of the following (as appropriate) to be delivered to the Chief Justice of the board which issued the sanction:

   a. Copies of completed work.
   b. Signed statement from supervisor/department in which assignment is completed.
   c. Proof of completed grade for class.
   d. Letters to Chief Justice/Attorney General to be forwarded to the appropriate party.

3. Failure to comply will result with a complaint being filed against the respondent, pursuant to Section 3.A.20 of this Code.

4. Students who graduate or leave the university and fail to comply shall:
a. Be notified in writing that a hold will be placed on academic records until sanctions are completed.
b. The Dean of Student Life or designee, in consultation with the Attorney General, may approve new or comparable sanctions should existing ones not be feasible while classes are not in session or the student is not enrolled.

      i. Violation of a Kansas State University KSU Parking Policy
      ii. Extenuating circumstances demonstrated by the appellant.
   e. Following the review and adjudication of all appeals, the packet shall be returned to the Department of Parking Services.
   f. Parking Services shall match the two copies of each appeal and take the following action:
      i. If judgments match, notice of the decision shall be sent in writing to the appellant.
      ii. If judgments do not match, the two copies of the appeal shall be held for final review by the two
co-chairs of the Parking Citation Appeals Board.

D. The two co-chairs shall consider the appeal at its next scheduled meeting. At that time they shall review the recorded reasoning of the two board members whose judgments differed. Using that information, they shall discuss the appeal and make a decision. In the event of a tie, the final judgment shall be determined by the Attorney General.

1. If the citation is reversed, the matter is settled and no further action shall be taken.

2. If the citation is affirmed, the following shall occur:
   a. Unless new information is present, the appellant shall be required pay the indicated fine within five business days.
   b. If new information or evidence arises, the appellant has five business days to contact the Department of Parking Services to schedule a hearing time with the Parking Citation Appeals Board co-chairs. In notifying Parking Services, the appellant must provide their full name and citation number to the staff member designated to schedule a hearing.

   1. Failure for the appellant to appear at the scheduled hearing shall result in automatic denial of further review.
   2. The appellant shall be granted ten minutes to state their reasons for pursuing further review.
   3. The co-chairs may then cross-examine the appellant.
   4. Upon conclusion of the cross-examination, the co-chairs and Attorney General shall deliberate in private and come to a decision with the Attorney General voting only in the event of a tie.
   5. The appellant shall be recalled and notified of the decision.
   6. The decision shall be final and no reasoning is required.

THIS RESOLUTION PASSED STUDENT SENATE ON FEBRUARY 7, 2013 BY A ROLL CALL VOTE OF 41-9-2

VETOED BY THE STUDENT BODY PRESIDENT ON FEBRUARY 14, 2013

NO ACTION WAS TAKEN BY STUDENT SENATE
VETO MESSAGE OF THE
STUDENT BODY PRESIDENT

Pursuant to Article IV, Section 406.C. of the Kansas State University Student Governing Association Constitution, I hereby veto Resolution 12/13/49 for the following reasons:

The founding mission of the City University Fund, as outlined in the official agreement entered on June 30, 1994, states that expenditures from the fund should address “projects or programs that are of mutual benefit to the City and the University.”

It is critical that our recommendation for the utilization of these funds reflects this founding mission, and is directed at projects that impact the greatest number of people within the University and Manhattan communities. Further, it is our responsibility, as representatives of more than 24,000 students, to advocate for projects that address the needs and interests of the Student Body.

Through their decision to attend Kansas State University, these students and their families contribute a significant amount of tax money to both the City-University Fund and the City of Manhattan each year. It is therefore easily justified that these funds be purposed for a project of high student interest.

It is my opinion that the existing recommendation does not adequately fulfill our responsibility to represent the K-State Student Body, or the general mission of the City-University Fund.

I have therefore vetoed Resolution 12/13/49 and encouraged the SGA Governmental Relations Committee to put forth a new recommendation to achieve these aims.

Through consultation with students, University Administration, and members of the Manhattan City Commission, it has been recommended that the Student Governing Association reexamine our recommendation for fiscal year 2014, and reconsider purposing funds for the K-State Student Union.

The K-State Student Union is a facility used by both the K-State and Manhattan Community. SGA and the Student Union serve each of these communities through the support and funding of programming that brings world-class speakers and entertainers to Manhattan. By purposing a portion of City-University funds toward the K-State Student Union, we can mutually benefit both communities by further improving a venue in which our two communities meet, while fulfilling the mission of the City-University Fund and addressing the interests of students.

For these reasons, I veto Resolution 12/13/49.
