SECTION 1. Article 5, Section 11-A shall be amended to read: “. . . maximum of twenty-five (25) and a minimum of twelve (12).”

PASSED 9/30/93
BY: Clayton Wheeler, David Frese

SUMMARY: Some regulations on the Educational Opportunity Fund (EOF) need to be changed to apply to this year. The legislation this amendment applies to is Senate Bill 92/27. The underlined portions are changed portions, followed by the original statements in parentheses. Section 1 of this bill pertains to when the members of the EOF committee be chosen. Mr. Frese thinks that the original deadline is too soon and was somewhat arbitrary, especially when the 15th of September may get lost somewhere on a weekend. Section 2 of this bill pertains to the deadline. In the future, Oct. 1 is a more reasonable and memorable date for applicants. The fourth Friday of Sept. is somewhat arbitrary. Oct. 1 is concrete.

BE IT ENACTED THAT:

SECTION 1. Section 1 of 92/27 be amended to read: “The interview panel shall advertise for applicants for the at-large positions and submit their selections to Student Senate for approval no later than the final regular Senate meeting in September of each year.” (Originally: the 15th of September.)

SECTION 2. Section 3 of 92/27 be amended to read: “EOF proposals shall be due by October 1 of each year.” (Originally: the fourth Friday of September.)

SUMMARY: The Lafene Health Care Center, under the outstanding direction of Lannie Zweimiller in the past five years, has been able to provide better, as well as more, services to the students of Kansas State University. However, due to several factors as better management, Lafene has been able to accumulate a substantial reserve far above the 15-20% goal outlined in Senate Bill 89/8. Due to this substantial reserve this bill decreases the student health fee for full-time students only, leaving the fee for part time as well as summer students in accordance with Senate Bill 89/8.

BE IT ENACTED THAT:

SECTION 1. The student health fee shall be decreased from $80 a semester to $70 a semester for full-time students starting in Fall 1994.

SECTION 2. The Lafene Student Health Advisory Committee shall review the fee every year and recommend needed adjustments to Student Senate with the goal of maintaining a 22—27% reserves for contingencies.

PARKING, AND POLICE OPERATIONS

BY: Parking Committee

SUMMARY: This council currently has five appointed student members with 17 members selected in various methods from across the university representing faculty, staff, and various other groups and interests, other than students. The chair of this council is the parking manager, rather that a member of the committee, selected or appointed by the council.

The Kansas State Student Senate encourage the membership of this council to select voting members in a ratio of the number of parking permits sold, and allow and encourage other interested members to remain as ex officio, non-voting members of the council or to apply as members of the Parking Citation Appeals Board.

PASSED 4/21/94
SUMMARY: It has been determined that Kansas State University has a parking problem, and because of future expansion, this problem will only increase, and because of construction occurring on campus, access to current parking availability will be denied. The evaluation on parking currently and in the future on campus, as evaluated by Bharath K. Vellanki, determined that the best economical and feasible method of improving the parking problem would be to implement a shuttle system. But because no one is certain of the interest in this system, it is necessary to determine if the shuttle system would be utilized by the students, faculty/staff, and Manhattan community, so it is necessary to conduct a survey to determine the interest.

BE IT RESOLVED THAT:

SECTION 1. The Kansas State Student Senate endorse the implementation of a survey of student, faculty/staff, and Manhattan community for interest in a shuttle system.

PASSED 4/21/94
RESOLUTION 93/94/38

BE IT RESOLVED THAT:

SECTION 1. The Kansas State Student Senate request <the office of the Vice Provost of Administration and Finance> that at least two open forums occur before the parking regulations hearing in order to educate the students about the proposed changes.
